## TABLE OF CONTENTS

The Milwaukee Wiser Choice Provider Network Directory is a listing of provider agencies that have an agreement with Milwaukee County and the Milwaukee Wiser Choice Provider Network to provide services on a referral basis.

This directory is divided into three main sections. The first is a listing of Clinical Providers organized by the Milwaukee Level of Care. The second is a list of providers organized by the ancillary (or support) service they provide to Wiser Choice clients. The last section is detailed information regarding each provider, accessibility, and a brief description of the agency.

### Alcohol & Other Drug Abuse Services: Core Values

In 1999, as a response to the large number of families who were involved in the welfare reform, child welfare, and AODA/Mental Health Treatment systems, the Wisconsin Department of Health and Family Services (DHFS) and the Wisconsin Department of Workforce Development (DWD), in collaboration with the Milwaukee County Department of Human and Services (DHS), launched the Milwaukee Family Services Coordination Initiative (MFSCI). The impetus for the year-long (October 1, 1999 – September 30, 2000) Initiative was the realization that the multiple needs of these families were not being adequately addressed, at least in part due to the lack of coordination among the systems with which they were involved (The Management Group, 2000). The intent of MFSCI was to fundamentally transform the manner in which services have traditionally been delivered by reducing barriers for families involved in multiple systems. The premise of the Initiative was that outcomes for families could be improved through cross-system coordination, provision of wraparound philosophy of care and services, development of networks of formal and informal supports, utilizing a family centered, strength-based, gender/culturally-responsive approach.

The Steering Committee for the project included clients, representative from the Governor's Office, key administrators from DHFS, DWD, the Department of Corrections, and the Medicaid HMOs; the Director of Milwaukee County DHS; and the Milwaukee County Board Chair. The Initiative outlined a set of **core values**, developed through a series of focus groups that included participation by clients, and system representatives at various levels of authority to use as guidelines for service delivery for families and to promote improved outcomes. BHD has adopted these core values.

A. Family-Centered: A family-centered approach means that families are a family of choice defined by the clients themselves. A family may include extended family members, significant others, or persons who function as natural supports in the context of that family. A family may include a non-custodial parent. Families are treated with dignity and respect, regarded as a resource in the treatment process, assisted to build on identified strengths to enhance control and independence, and valued as participants in all aspects of planning and evaluating the service delivery process. The goal of a family-centered team and system is to move away from the focus of a single client represented in systems, to a focus on the functioning, safety, and well being of the family as a whole.

B. Client Involvement: The client's involvement in the process is empowering and increases the likelihood of cooperation, ownership, and success. Clients and their families are viewed as full and meaningful partners in all aspects of the decision making process affecting their lives including decisions made about their service plans.

C. Builds on Natural and Community Supports: Recognizes and utilizes all resources in our communities creatively and flexibly, including formal and informal supports and service systems. Every attempt should be made to include the client's family, relatives, neighbors, friends, faith community, co-workers or anyone the client would like to include in the team process. Ultimately families will be empowered and have developed a network of informal, natural, and community supports so that formal system involvement is reduced or not needed at all.

- D. Strength-Based: Strength-based planning builds on the clients and their families unique qualities and identified strengths that can then be used to support strategies to meet their needs. Strengths should also be found in clients' environment through their informal support networks as well as in attitudes, values, skills, abilities, preferences and aspirations. Strengths are expected to emerge, be clarified and change over time as clients and families' initial needs are met and new needs emerge with strategies discussed and implemented.
- E. Unconditional Care: Means that we care for clients and their families, not that we will care "if." It means that it is the responsibility of the Recovery Team to adapt to the needs of the client - not of the client to adapt to the needs of a program. We will coordinate services and supports for the client and family that we would hope would be done for us. If difficulties arise, the individualized services and supports change to meet the needs of clients and their families.
- F. Collaboration Across Systems: An interactive process in which people with diverse expertise, along with clients and their families, generate solutions to mutually defined needs and goals building on identified strengths. All systems working with the client have an understanding of each other's programs and a commitment and willingness to work together to assist the clients and their families to obtain their goals. The substance abuse, mental health, child welfare, and other identified systems collaborate and coordinate a single system of care for families involved within their services.
- G. Team Approach Across Agencies: A Recovery Team consists of a group of people, in addition to the client, who represent a blend of formal and informal resources (professionals and other) who make up the client/family support network. The team functions with the client and family in an interactive process to develop a plan, based on client/family strengths, values and preferences that will lead to favorable outcomes. Planning, decision-making, and strategies rely on the strengths, skills, mutual respect, creativity, and flexible resources of the team members.
- H. Ensuring Safety: When child protective services are involved, the team will maintain a focus on child safety. Consideration will be given to whether the identified threats to safety are still in effect, whether the child is being kept safe by the least intrusive means possible, and whether the safety services in place are effectively controlling those threats. When safety concerns are present, a primary goal of the family team is the protection of citizens from crime and the fear of crime. The presence of individuals who are potentially dangerous requires that protection and supervision be sufficiently effective to dispel the fears of the public.
- I. Gender/Age/Culturally Responsive Treatment: Services reflect an understanding of the issues specific to each client's cultural background, gender, age, disability, race, ethnicity, and sexual orientation and reflect support, acceptance, and understanding of cultural and lifestyle diversity. These understandings are then incorporated into the programming. Programs for women must include specific components that address their issues and reflect current research indicating effective treatment components for women, i.e., to include, but not limited to: victimization histories, domestic violence/relationship dynamics, parenting, self-esteem, and educational needs.

- J. Self-sufficiency: Individuals and families will be supported in achieving self-sufficiency in essential life domains, to include family, social, educational, vocational, financial, housing, financial, psychological, emotional and spiritual domains.
- K. Education and Work Focus: Dedication to positive, immediate, and consistent education, employment, and/or employment-related activities which results in resiliency and self-sufficiency, improved quality of life for self, family, and the community. BHD clients who also participate in W-2 should have their AODA treatment indicated on their Employability Plan (EP).
- L. Belief in Growth, Learning and Recovery: Client and family improvement begins by integrating formal and informal supports that instill hope and are dedicated to interacting with individuals with compassion, dignity, and respect. Team members operate from a belief that every client and their family desire change and can take steps toward attaining a productive and self-sufficient life.
- M. Outcome-oriented: From the onset of the family team meetings, levels of personal responsibility and accountability for all team members, both formal and informal supports are discussed, agreed-upon, and maintained. Identified outcomes are understood and shared by all team members. Legal, education, employment, child-safety, and other applicable mandates are considered in developing outcomes, progress is monitored and each team member participates in defining success. Selected outcomes are standardized, measurable, based on the life of the family and its individual members.

### AODA Program Goals

- (1) To achieve improved outcomes by meeting the special needs of eligible individuals and families who experience problems resulting from alcohol or other drug abuse by providing intervention, treatment, and support services that are gender and culturally responsive.
- (2) To target eligible individuals and families who may be involved in several systems in order to develop better ways to coordinate services from multiple service systems.
- (3) To ensure the provision of recovery support services including, but not limited to, parent education, vocational and housing assistance, coordination with other community programs, and treatment under intensive care.
- (4) To develop a system that reinforces the empowerment of individuals and their involvement in the planning, design, implementation, and evaluation of the program, as well as their care plan.
- (5) To identify best practices and provide knowledge dissemination activities and cross training and education to professionals who work with individuals and families and are from different systems in order to achieve positive individual/family outcomes.

It is important that, whenever appropriate, each application demonstrate integration of the above principles and practices into all programs and services provided through these purchase of service agreements

## Vision Statement – Behavioral Health Division

**The Milwaukee County Behavioral Health Division will be a premier system of mental health and alcohol and other drug abuse disorders in the State of Wisconsin. It will ensure that individuals and families who have behavioral health needs strive to function at optimal levels of physical and mental health and that they are full and equal members of the community. As such, the Division shall provide individuals who have behavioral health needs the support and means to pursue success in the ways they choose to live, learn, love, work and play because:**

Our vision is for a behavioral health system that recognizes the partnership with clients, providers and the community and the accountability to its stakeholders for the effective development and efficient use of resources.

Our vision is for a recovery oriented behavioral health system that focuses on the rebuilding of full productive lives for children, adults and their families, and supports a full spectrum of services including primary prevention and early intervention.

Our vision is for a behavioral health system that attracts, retains, and supports employees/other service providers who are competent and provide excellent quality, culturally and linguistically relevant behavioral health treatment and support services.

Our vision is for a behavioral health system that acknowledges the abundance and limitations of our human and financial resources and commits to responsible stewardship of its resources.

Our vision is for clients and families to be equal stakeholders in service system governance, planning and delivery.

Our vision is for a behavioral health system where every client has access to strengths-based, individualized and integrated services that promote health and recovery.

Our vision is for a behavioral health system where cultural, ethnic and socioeconomic diversity is valued by providers and clients.

Our vision is for a behavioral health system where strategies to eradicate stigma, including education of clients, family members, providers and the Milwaukee County community, are implemented and effective.

Our vision is for behavioral health services and supports to be community based and not institution based; when residential treatment or hospitalization is accessed, those services will be used as resources and not as placements.

Our vision is for a behavioral health system that can measure its success in the care of children and adults by establishing and producing clear, quantifiable outcomes

## Milwaukee Levels Of Care Descriptions

- Outpatient** Outpatient is a non-residential treatment service totaling less than 12 hours of counseling per patient per week, which provides a variety of evaluation, diagnostic, crisis and treatment services relating to substance abuse to ameliorate negative symptoms and restore effective functioning. Services include individual counseling and intervention and may include group and family therapy and referral to non-substance abuse services that may occur over an extended period. Must be certified as a HFS 75.13 outpatient provider.
- Intensive Outpatient** An intensive outpatient program is a planned and organized service in which addiction professionals and clinicians provide several AODA treatment service components to clients. Treatment consists of regularly scheduled sessions within a structured program, with a minimum of 9 treatment hours per week. Examples include day or evening programs in which patients attend a full spectrum of treatment programming but live at home or in special residences. Must be certified as a HFS 75.13 outpatient provider.
- Day Treatment** Day treatment is a medically monitored, and non-residential substance abuse treatment service which consists of regularly scheduled sessions of various modalities, such as individual and group counseling and case management, provided under the supervision of a physician. Services are provided in a scheduled number of sessions per day and week, with each patient receiving a minimum of 12 hours of counseling per week. Must be certified as a HFS 75.12 day treatment service provider.  
ORGANIZATIONAL REQUIREMENTS. A day treatment service may be a stand-alone service or may be co-located in a facility that includes other services.
- Transitional Residential** A transitional residential treatment is a clinically supervised, peer-supported therapeutic environment with clinical involvement. The service provides substance abuse treatment in the form of counseling for 3 to 11 hours per patient per week, immediate access to peer support through the environment and intensive case management which may include direct education and monitoring in the areas of personal health and hygiene, community socialization, job readiness, problem resolution counseling, housekeeping and financial planning. Must be certified as a HFS 75.14 transitional residential treatment service provider.  
ORGANIZATIONAL REQUIREMENTS. Before operating or expanding a transitional residential treatment service, a facility shall be approved under ch. HFS 124 as a hospital, licensed under ch. HFS 83 as a community-based residential facility, certified under ch. HFS 82 or licensed under ch. HFS 88 as an adult family home.
- Medically Monitored Residential** Medically monitored residential treatment operates as a 24-hour, community-based service providing observation, monitoring and treatment by a multidisciplinary team under supervision of a physician, with a minimum of 12 hours of counseling provided per week for each patient. Must be certified as a HFS 75.11 medically monitored residential treatment service provider.
- Co-Occurring Biomedically Monitored Residential** Co-Occurring biomedically enhanced monitored residential treatment operates as a 24-hour, community-based service providing observation, monitoring and treatment by a multidisciplinary team under supervision of a physician, and staffed 24 hours a day by nursing personnel. Must be certified as a HFS 75.11 medically monitored residential treatment service provider.
- Methadone** A narcotic treatment service for opiate addiction provides for the management and rehabilitation of selected narcotic addicts through the use of methadone and a broad range of medical and psychological services, substance abuse counseling and social services. Methadone, an FDA-approved narcotic, is used to prevent the onset of withdrawal symptoms for 24 hours or more, reduce or eliminate drug hunger or craving and block the euphoric effects of any illicitly self-administered narcotics while the patient is undergoing rehabilitation.

medical monitoring and addiction/co-occurring treatment in an inpatient-type setting. It is appropriate for patients whose subacute biomedical and emotional, behavioral or cognitive problems are so severe that they require inpatient treatment, but who do not need the full resources of an acute care general hospital or a psychiatric hospital. The services of this program are designed to meet the needs of patients who have functional deficits in Dimensions 2 and 3 of the ASAM PPC-2R. For example, Dimension 2 problems could include such comorbid medical problems as poorly controlled hypertension or diabetes or a co-occurring chronic pain disorder that interferes with the patient’s ability to engage in a recovery program. Dimension 3 problems would include either a diagnosable comorbid DSM-IV Axis I disorder or symptoms of such a disorder that are subthreshold of diagnostic criteria, but interfere or distract from recovery efforts (for example, anxiety or hypomanic behavior), and thus require the availability of 24-hour nursing and medical interventions. The care is delivered by an interdisciplinary staff of appropriately credentialed treatment professionals, including a physician who is a board certified or eligible Addictionologist. Treatment is specific to substance-related disorders, but the skills of the interdisciplinary team and the availability of support services also can accommodate conjoint treatment of co-occurring subacute biomedical and/or emotional, behavioral or cognitive conditions. Individuals who have a greater severity of illness in Dimensions 2 and/or 3 require use of more intensive staffing patterns and support services.

The service is required to be certified under DHS 75.11, and comply with the service description for an ASAM Level III.7 dually diagnosed capable program. This includes, but is not limited to, the following: A physician is available to assess the patient in person within 24 hours of admission and thereafter as medically necessary. Psychiatric services are available through consultation or referral. Such services are available within 8 hours by telephone or 24 hours in person. The facility is staffed 24 hours a day by nursing personnel. A registered nurse conducts an alcohol or other drug-focused nursing assessment at the time of admission. An appropriately credentialed and licensed nurse is responsible for monitoring the patient’s progress and for medication administration. Clinical staff is knowledgeable about the biological and psychosocial dimensions of substance dependence and mental disorders and have specialized training in behavior management techniques, and treatment includes clinical and didactic motivational enhancement strategies that are appropriate to the patient’s stage of readiness to change.

**Requirements of Individual Providers:** A substance abuse counselor **MUST** have one of the following certifications from the State of Wisconsin Department of Regulation and Licensing: Substance Abuse Counselor In Training, Substance Abuse Counselor, Clinical Substance Abuse Counselor.

A Clinical Supervisor **MUST** meet one of the following criteria:

1. Certified as an AODA Clinical Supervisor by the State of Wisconsin Department of Regulation and Licensing (Clinical Supervisor in Training, Intermediate Clinical Supervisor, Independent Clinical Supervisor),
2. Licensed as a Physician **AND** Certified as an Addiction Specialist by the American Society of Addiction Medicine (ASAM),
3. Licensed as a Physician **AND** Certified in Addiction Psychiatry by the American Board of Psychiatry and Neurology,
4. Licensed as a Psychologist **AND** Certified in Addiction from the American Psychological Association (APA).

Certificates and licenses must be provided for **ALL** individual providers. All certifications and licenses must remain active and in good standing in order to provide services under this service description. Any of the certificate holders as identified above who provide AODA counseling services under this agreement, **MUST** receive Clinical Supervision in the amount specified in DHS 75.11(5); this includes Clinical Supervisors who provide AODA counseling services. The provision of clinical supervision shall be evidenced in that individual’s personnel file as specified in DHS 75.03(4)(g). All Co-occurring Biomedically Enhanced Residential Treatment Services paid for under this service description **MUST** be provided by appropriately credentialed staff.

<b>Recovery House</b>	<b>2081</b>	<b>Day</b>
<p>Recovery Houses provide a safe, clean and sober environment for adults with substance abuse disorders or co-occurring substance abuse and mental health disorders. Individuals living in a Recovery House are required to be engaged in an outpatient or day treatment level of care. The anticipated length of stay in Recovery House is expected to be of relatively short duration as the individual reintegrates into the community, consistent with the goals identified in their Single Coordinated Care Plan (SCCP). Recovery House is staffed 24 hours a day by salaried paraprofessional staff (staff employees are paid by salaries and not by stipend and are not peer mentors). Recovery House is a structured recovery environment that provides sufficient stability to prevent or minimize relapse or continued use and continued problem potential. Recovery House is intended to assist the individual to integrate relapse prevention and recovery skills to achieve autonomy, including gainful employment and independent living in the community. Individuals are expected to participate in vocational/educational services as identified in their SCCP while living in a Recovery House. Services on-site emphasize individual and group living skills promoted through the use of community or house meetings of residents and staff, as well as services required by DHS 83, including room and board and medication monitoring. Mutual/self-help meetings may be available on-site. Recovery House plus an outpatient level of care approximate an ASAM Level III.1 residential service. Recovery House coupled with a day treatment level of care approximates an ASAM Level III.5 residential service. Recovery Houses are required to be licensed under DHS 83 as a community based residential facility (CBRF), and are expected to comply with local zoning regulations. Applications must include current CBRF license, staff schedule showing 24-hour coverage, and a schedule supporting a structured recovery environment, as well as daily assignment listing for residents and house rules supporting a recovery milieu.</p>

### RECOVERY SUPPORT (ANCILLARY) SERVICES WITH DESCRIPTIONS

#### Anger Management

<b>Individual</b>	<b>2112</b>	<b>¼ hour</b>
<b>Family</b>	<b>2110</b>	<b>¼ hour</b>
<b>Group</b>	<b>2111</b>	<b>¼ hour</b>

The goal of Anger Management services is to help individuals manage their anger and their behavior when upset in an effective and appropriate manner. Anger management services teach individuals to deal with situations and problems in a more effective manner utilizing a skill-based approach. These services should help clients to:

1. learn basic problem solving skills in order to more effectively resolve problems,
2. utilize effective communication skills and interventions to promote non-violent conflict resolution, and
3. increase self-awareness and knowledge of stress management concepts.

The provider must complete an assessment or initial screening with every participant prior to service provision to screen for severe mental health or substance abuse issues that would interfere with fully participating in anger management. It is expected that each client file will contain, at a minimum, an initial assessment or intake form, progress notes, and sign-in sheets for all sessions conducted with the individual. Providers of this service are required to submit their program outline, which includes the length of the program, and topics to be addressed during each session. Any other specific requirements unique to the program should be identified. The agency provider must have demonstrated training or experience in providing this service for a period of at least 2 years.

Method of delivery: Individual (1:1), Family or Group setting depending on Service Code authorized for the client. Groups should consist of no more than twelve (12) individuals per session.

Requirements of Individual Providers: Submission of a resume, which demonstrates experience in facilitating anger management groups and knowledge of effective approaches to resolving anger issues. Group facilitators must be a licensed therapist with knowledge of group dynamics and must be credentialed by the State of Wisconsin to provide individual therapy. Individual providers of this service MUST have the credentials of a licensed therapist, and must be credentialed by the State of Wisconsin to provide individual therapy.

Examples of appropriate credentials include: Licensed Professional Counselor, LCSW, Psychologist, etc. OR individual providers must have a specific certification by the National Anger Management Association, as an Anger Management Specialist II, III, IV, or V: <http://namass.org/certification.htm>. AODA certification is not sufficient in meeting this requirement.

<u>After School Program</u>	<b>2026</b>	<b>Hour</b>

A Day Care License is required.

**Community Employment Program**

**2027**

**Day**

This service provides assistance to individuals in completing the tasks necessary to obtain employment. The provider must complete an employability assessment with every participant prior to service provision, which includes an analysis of the individual’s job skills, employment history and employment educational goals. The provider must also complete a job development plan, which includes the activities and training necessary to achieve the goals identified in the employability assessment. It is expected that each client file will contain, at a minimum, an employability assessment, a job development plan, a completed resume, a completed list of references, progress notes, and sign-in sheets for all sessions conducted with the individual. The client must receive a minimum of 60 minutes of service on any given day in order for the agency provider to receive payment for services, and this time must be spent one-on-one with the individual on job readiness skills such as mock interviewing, resume building, career exploration, filling out applications, teaching appropriate job behavior, etc. with the exception of up to 2 group sessions per month. Additional time should also be provided to the client to allow for internet employment searches, faxing of documents, making copies, utilizing the computer, etc. The agency provider must have demonstrated training or experience in providing this service and must submit a Community Employment Program Outline, which identifies the method(s) that will be utilized for assessing the individual’s needs and assisting with obtaining employment.

Method of delivery: Individual (1:1) OR Group setting – services may be provided in the community or at the Provider’s site, the majority of sessions must be conducted on an individual basis (each individual client should receive no more than 2 group sessions every 30 days for general topic presentations only)

Requirements of Individual Providers: Submission of a resume which demonstrates training, education and/or experience providing individual services to clients. Must demonstrate an ability to provide Employment Services to clients through past experience, training and/or education. Must possess a minimum of a high school diploma, and have experience in successfully assisting individuals to obtain employment. Providers may provide transportation to clients for this service, and therefore must provide a copy of their driver’s license to verify with the Wisconsin Department of Transportation.

The primary goal of Domestic Violence Batterer Services is to end domestic violence, including but not limited to physical, emotional, sexual and economic abuse, as well as threats of violence and social isolation of a partner. Program curriculum must address the batterer’s beliefs and attitudes towards violence, including information about power and control issues, address the issues of sexism and gender role stereotyping, encourage personal responsibility by challenging batterers about their negative and/or sexist attitudes and beliefs which support their abusive behaviors, and teach skills for nonviolent behavior. Providers must have a safety planning procedure in place to follow when the batterer’s behavior in the program indicates a potential threat to the victim; including a reporting procedure to follow if there is confirmed knowledge of any recurrence(s) of violence or threats of violence. As a result of group sessions being a potentially sympathetic environment for batterers to reinforce each other’s attitudes, behaviors and actions which promote violence and condone the value of controlling their partners and others, the program must acknowledge this dangerous side effect and have written policies advising facilitators how to address it. Programs must address the unique needs of special populations (people of color, people with limited literacy, differently-abled, homosexuals, etc.) in program development and implementation. Agencies approved to provide this service will be those whose primary objective it is to offer programs and services to individuals and families affected by domestic violence. In other words, the agency or program within the agency must identify itself as either a Domestic Abuse Program-an organization which provides safety for battered women or men and their children in a shelter or safe home network or at a minimum provide services such as crisis counseling and advocacy, 24 hour crisis phone services and support groups for battered women or men, OR a **Program for Batterers**-an organization providing primary treatment such as education or counseling services for individuals who have admitted to committing acts of domestic violence or who have been convicted of such. The agency provider must be able to demonstrate expertise in working with this population through the provision of active programs and services addressing domestic violence issues for a minimum of 2 years, and must have specific experience providing Domestic Violence Batterer Services. The agency must submit a Program Outline, which identifies the topics and discussion that are to be covered during group sessions, including a description of any educational materials to be used. It is expected that each client file will contain at a minimum, client-specific progress notes and sign-in sheets for all sessions conducted with the individual. **This service cannot include efforts to engage the batterer with his/her victim.**

*(Criteria established for this service description taken from the 1996 male Batterers Treatment Standards for State-Funded Domestic Abuse Batterers Treatment Grants/Contracts from the State of Wisconsin.)*

Method of delivery: Individual (1:1) or Group setting

Requirements of Individual Providers: The individual provider must be violence-free in their own lives, and will be able to demonstrate that if they have been a perpetrator of violence in the past, they have remained violence-free for at least two years and they have successfully completed a certified batterers treatment program. Providers must have demonstrable knowledge of the effects of violent victimization by an intimate partner, as would be acquired by regular contact with battered women and/or formerly battered women or men, and must be able to verify that training on domestic violence and perpetrator treatment services has occurred, in addition to supervised work experience for a period of at least one year facilitating batterers treatment groups. The possession or attainment of a formal degree or formal education is viewed as neither necessary nor sufficient for educational qualifications to facilitate batterers treatment groups. The provider must have the capacity to work with the other systems and community services where appropriate.

being victimized by violence. The provider must complete a safety assessment and develop a Safety Plan with every participant prior to service provision. It is expected that each client file will contain, at a minimum, a safety assessment, a Safety Plan, progress notes and sign-in sheets for all sessions conducted with the individual. Progress notes must identify what material and topics for discussion were included in any given session, along with the client’s level of participation in the session. Programs must provide information to participants including, but not limited to, housing options (emergency, temporary and permanent); sexual assault treatment services; how to obtain a temporary Restraining Order; and how to access medical care, emergency food, household items and baby items. Programs should also provide education to participants which may include education about the dynamics of an abusive relationship, strategies to keep themselves and their children safe, assertiveness training, identifying and understanding violent behavior and domestic abuse, identifying and understanding the dynamics of healthy relationships and self-esteem and confidence building. The group setting should provide a safe atmosphere in which participants are able to share their experiences, exchange ideas and reduce feelings of isolation. The agency provider must have demonstrated experience (minimum of 2 years) in providing Domestic Violence Victim Services, and must submit a Program Outline which identifies the topics of discussion that are to be covered during group sessions, including a description of any educational materials to be used, and a copy of both the safety assessment and Safety Plan format that will be utilized for this service. The provider should have an identified procedure to follow in the event of an emergency such as a client medical emergency or the witnessing of an assault by a staff member. ### **Parent Assistance**

**2031**

**Hour**

This service provides assistance to parents and caregivers to improve upon parenting skills, by teaching, modeling and monitoring appropriate child care methods such as rule setting, time outs, etc. The Parent Assistant acts as a guide and support for the parent and may provide information and advocacy on child development and age appropriate needs and expectations. The service provider should have the skills and knowledge to help the parent in locating natural supports in their community, such as parenting support groups, age-appropriate child educational and recreational activities, and other such resources. This service may also provide home health and personal care services such as bathing, dressing, budgeting and organization of the home, as identified in the Single Coordinated Care Plan. Service providers should have a knowledge of community resources and be able to provide assistance with securing needed basic resources such as food, clothing, furniture, medicine, etc. The provider must complete an assessment with every participant prior to service provision, which includes an analysis of the individual’s parenting skills, natural support system and parenting goals. The provider must also complete a plan of care, which includes the activities necessary to achieve the goals identified in the assessment. It is expected that each client file will contain, at a minimum, an assessment, a plan of care, progress notes and sign-in sheets for all sessions conducted with the individual. The agency provider must have a Parenting Assistance Program Outline, which identifies the method(s) that will be utilized for assessing the individual’s needs and assisting with improving parenting skills. This outline should include the community resources that will be utilized in assisting participants.

Method of delivery: Individual (1:1) setting – the majority of sessions should be conducted either in the community or in the client’s home, although some sessions may be appropriately held at the Provider’s site.

**AGENCY PROFILE:** Alternatives in Psychological Consultation, S.C. is a holistic, social service agency that was established in 1995 to meet the needs of children, youth, adults, and families. Alternatives has two locations- both on the north and south sides of Milwaukee, which makes it convenient for clients who attend services in-office. Clinical services include AODA individual and family counseling, and AODA group counseling. Individual and family counseling can be provided either in-home or in-office, while the group counseling is offered in-office two times a week. All AODA counseling is provided by trained therapists who are licensed to provide services, and Alternatives is certified as an outpatient facility. Alternatives also provides parent assistance, home management, and housing/housing assistance through its family support service division. Alternatives has over 10 years of experience working with children, adolescents, and families, and offers other services, including anger management, individual counseling, case management, mentoring, parent assistance, supervision/observation, home management, tutoring, job coaching, and crisis intervention. The staff and management of Alternatives work in partnership with the Milwaukee County Behavioral Health Division, Wraparound Milwaukee, and the Children's Court Center. We are dedicated to providing quality and individualized services focusing on enhancing the existing strengths and resources of the population and community we serve.

**AGENCY PROFILE:** Alternatives in Psychological Consultation, S.C. is a holistic, social service agency that was established in 1995 to meet the needs of children, youth, adults, and families. Alternatives has two locations- both on the north and south sides of Milwaukee, which makes it convenient for clients who attend services in-office. Clinical services include AODA individual and family counseling, and AODA group counseling. Individual and family counseling can be provided either in-home or in-office, while the group counseling is offered in-office two times a week. All AODA counseling is provided by trained therapists who are licensed to provide services, and Alternatives is certified as an outpatient facility. Alternatives also provides parent assistance, home management, and housing/housing assistance through its family support service division. Alternatives has over 10 years of experience working with children, adolescents, and families, and offers other services, including anger management, individual counseling, case management, mentoring, parent assistance, supervision/observation, home management, tutoring, job coaching, and crisis intervention. The staff and management of Alternatives work in partnership with the Milwaukee County Behavioral Health Division, Wraparound Milwaukee, and the Children's Court Center. We are dedicated to providing quality and individualized services focusing on enhancing the existing strengths and resources of the population and community we serve.

**AGENCY PROFILE:** Brighter Days Counseling Center is an outpatient treatment program specializing in the treatment of alcohol and other drug abuse, compulsive gambling, and offenders of domestic violence and anger-related issues. With over 45 years of combined commitment and service to our clients, and by remaining owner operated, we strive to provide the highest standard of compassionate, sensitive, and confidential care. The primary treatment provider for all clients will have between 13 and 23 years of experience in the area of addiction counseling.

Brighter Days is committed to the clients' well-being and strives to ensure that clients have a positive, healthy, and productive experience. Treatment includes individual and group therapy, and family education provides counseling regarding the addiction, treatment, and recovery process. Strength-based and solution-focused treatment is the philosophy of Brighter Days. We stress the 4 A's of treatment; Awareness of the substance abuse problem, Acceptance of the problem and the need to change, having a positive Attitude to change the problem, and then taking the right Action to address the problem.

Hours of operation include evenings and Saturdays.

**AGENCY PROFILE:** Cedar Creek Family Counseling offers a primary treatment program for alcohol and substance abuse consisting of both individual and group therapy sessions. Most clients in the primary program attend one individual and two group sessions per week. After an assessment by an AODA counselor, a plan is developed with specific and measurable goals. The length of the program, depending on the individual's clinical needs, is usually eight to twelve weeks followed by an aftercare program.

Cedar Creek Family Counseling offers an intensive treatment program for clients whose needs are greatest. The intensive treatment program requires a more structured treatment program and, after a comprehensive assessment, is designed for individuals who have failed in prior treatments, need close supervision, and/or are experiencing a dual problem. Most clients in our intensive program would attend group therapy sessions three times a week and individual sessions three to four times per week.

Both primary and intensive treatment programs consist of components related to abuse, addiction, and the recovery process. These components include stress management skills, emotions during recovery, signs and symptoms of chemical abuse, rational emotive behavioral therapy, and medical aspects of dependency. Clients also learn family roles and family dynamics, including co-dependency and relapse prevention skills. Cedar Creek Family Counseling offers a relapse prevention program that teaches a wide variety of relapse prevention skills and techniques.

For clients who have completed an inpatient or primary outpatient program and are in need of continuing support to maintain their recovery, we offer an aftercare program. Aftercare treatment normally involves attending one group or one individual therapy session per week.

Cedar Creek Family Counseling also offers an Intoxicated Driver Program, Cocaine Abuse Treatment, Brief Therapy Treatment Model, Rational Emotive Behavior Therapy Treatment, Education and Awareness Program and, Adolescent Substance Abuse. Group therapy sessions include the physical effects on addiction and recovery, developing self-awareness, strategies for goal attainment, and self-valuing. Self-valuing provides an opportunity to look positively at oneself. Clients are given opportunities to clarify their values and consider why they make the selections that they do and how do values influence their choices. Group facilitators often lead discussions regarding the progression of alcohol or substance addiction. The consequences of that usage are discussed along with emotional changes in recovery. Family dynamics, peer interactions, cultural differences, and employment situations are also topics that are encouraged.

**AGENCY PROFILE:** Milwaukee Health Service Systems is one of 5 MHSS clinics in the State, specializing in medication assisted treatment of narcotic addictions. There are two clinics in Milwaukee, one in Madison, one in Appleton, and another in Wausau. Since the 1960's, methadone has been used in the successful treatment of narcotic addictions. When used as prescribed, it can halt cravings for street opioids without producing a "high". Proper dosage will prevent withdrawal and can be adjusted throughout the program to maintain patient's ability to function normally while optimally weaning them from the methadone over time. Our goal is to offer a wide range of quality substance abuse treatment.. We believe you can attain an independent constructive lifestyle. Our priority is to stabilize each individual by providing medically monitored treatment, combined with psychosocial rehabilitation services. In our safe and clinically supportive environment, patients can make a positive change in their lives in an atmosphere of dignity and in a therapeutic time frame that is appropriate for each individual. We understand the difficulties of the social stigma associated with being addicted. We believe that opioid dependency is a biochemical disorder that can be arrested with appropriate medication and/or counseling. Our clinic offers comprehensive ambulatory drug and alcohol addiction treatment including drug screening, detoxification for opiate dependencies, polydrug abuse treatment, and individual and group counseling. Program features include: personalized treatment plan, HIV and Hepatitis C education, convenient and flexible hours, vacation dose service, and a comprehensive physical exam. MHSS1 makes every attempt to identify and meet the cultural needs of those seeking/participating in treatment. All staff receives training to ensure they acquire the cultural knowledge and skills needed to provide culturally appropriate treatment of the patient population served. Any individual with limited English language capability barriers shall have equal access to substance abuse services.

**AGENCY PROFILE:** The D&S Healing Center is a community based mental health/AODA agency in Milwaukee that is dedicated to assisting the client toward a state of wellness that takes a holistic orientation. D&S will be dedicated to eliminating violence and abuse in intimate relationships, families, and communities working with the whole person in whatever way the client defines this for them. This will be fulfilled using the holistic approach toward peace of the mind, body and belief system.

Our services are based on the principles of:

- Wellness for the person to reach THEIR optimal level of functioning as defined by the individual.
- Health of the body in understanding how daily stressors can affect how we feel and the DIS-EASE(S) that can affect us as a result of these stressors.
- Rethinking some of the maladaptive behavior patterns and relearning more affective and appropriate ways to approach patterns of addictions and feelings of anger.
- Building a foundation for the client that is consistent with their beliefs and capacity toward a healthy and positive outlook on life.
- Clients are encouraged and motivated to take control of their own lives and maintain an alcohol and drug free lifestyle through individual and group counseling.

The D&S Healing Center, Inc. will offer AODA groups that will have an educational model that will meet for a minimum of 20 weeks and consists of an AODA psychosocial assessment and 2-hour weekly sessions. The AODA groups will be no larger than 10 participants and will be run by an AODA certified facilitator.

The D&S Healing Center, Inc. will also offer AODA individual counseling on a weekly or bi-weekly basis as needed per the client assessment.

The D&S Healing Center, Inc. will provide other group counseling that will include trauma, PTSD, parenting, and any other groups that are deemed important for the client population that is served.

The D&S Healing Center, Inc. will offer individual counseling on a weekly or biweekly basis as deemed necessary per the client assessment.

The D&S Healing Center, Inc. shares a building with the Alma Center, a community agency that services the male domestic violence perpetrator population.

**AGENCY PROFILE:** ARCW's Dennis C. Hill Harm Reduction Center is an Outpatient agency providing substance abuse treatment to adults 18 and over. Priority is given to injection drug users. Mission: The Dennis C. Hill Harm Reduction Center is dedicated to serving the drug using community by offering support and counseling. We teach harm-reduction strategies to prevent HIV (Human Immunodeficiency Virus) infection and help develop positive alternatives to the drug & alcohol-using lifestyle, regardless of ability to pay. Treatment Philosophy: If you are using drugs and it is causing pain for yourself or others, we will support you in working out a treatment plan designed to help you live without chemicals. If you are not ready to commit to abstinence, we will support you in learning how to reduce your risks of HIV infection and other infectious diseases by teaching you harm-reduction techniques. Our unique program offers acupuncture and other guided imagery techniques to help individuals reduce stress, cravings, and withdrawal discomfort. We reduce barriers to treatment by providing bus tickets and parking validation for those who drive. Dennis Hill's AODA programming is not like the traditional abstinence-based treatment programs.

**AGENCY PROFILE:** Easter Seals Kindcare of South Eastern Wisconsin provides programs and services in our community for children and adults with disabilities and other special needs as they strive for independence. Within the Family Service Program, Easter Seals is looking to provide Parent Aid Assistance to families that have at least one family member who has difficulty in one or more of the following areas:

- \*Have problems in reading and/or writing
- \*Presents difficulty communicating
- \*Has difficulty problem solving
- \*Has problems managing money
- \*Is overwhelmed by routine demands
- \*Has a short attention span
- \*Is unable to follow a conversation
- \*Needs support in areas such as self-care, independent living, communications and self-direction
- \*Attended "special education" classes as a child or adolescent

The program provides direct in home support with parenting for caregivers to increase family stability, improve parenting and nurturing skills and decrease the risk of burnout and possible abuse. Children and siblings receive specialized mentoring services to improve their coping and relationship skills. The program directly benefits these families by providing supports that allow them to be safe, healthy, fully functioning, and increase the possibility for them to remain intact.

**AGENCY PROFILE:** The primary purpose of the clinic is to provide counseling and life improvement services to individuals, families, youth, couples and groups using principles from the Quran. In particular, special emphasis is placed on minorities and persons with disabilities, as these are the most disenfranchised groups.

The client will first receive a comprehensive assessment by a Counselor. In addition, a client may also receive an evaluation conducted by our medical director. A treatment plan is then developed with specific and measurable goals. The client's family members are encouraged to participate in the client's treatment, as family involvement is one of Islam's fundamental principles.

The educational components consist of lectures, seminars, and a variety of subjects related to substance abuse and the recovery process, including:

- Relapse prevention skills
- Signs and symptoms of alcohol and other drug abuse
- Stress Management skills
- How to deal with feelings in the recovery process
- Rational Emotive Behavioral therapy
- Orientation to the 12-step process
- Allay and belief in a Higher Power
- Medical aspects of alcohol and other drug abuse

**AGENCY PROFILE:** Enduring Truth Fellowship Church provides numerous services to the community, some of which include:  
 Equipping individuals with the necessary skills to attain gainful employment  
 Childcare services to provide working parents with the peace of mind from knowing that their children are being cared for in a safe environment.  
 Adult education classes which include literacy services, and skill development to obtain high school or general education diplomas (GED).  
 Training on daily living skills such as budgeting, health and wellness, nutritional meal preparation, and personal safety.  
 Tutoring and mentoring services to help prepare our youth for post graduate education.  
 Parenting classes to teach mothers and fathers how to provide a safe and nurturing environment for their children.  
 Spiritual Support assists individuals in establishing a personal relationship with God. This is done through one on one counseling and also through Bible studies and other Worship services.

In addition to the aforementioned services, we also provide a community food pantry to the Greater Milwaukee area. It is our endeavor to assist all individuals, without discrimination, in an effort to restore, revitalize, and rejuvenate the total person.

**AGENCY PROFILE:** Fokus Family Services is a multicultural agency located in the Enterprise Building 2821 North 4th Street, Suite 139 Milwaukee, WI 53212. We have been an agency provider for the Wraparound Milwaukee Program as part of the Integrated Provider Network as well as the Delinquency and Court Services Network for Milwaukee County since 2001. Currently our agency also serves the Bureau of Milwaukee Child Welfare and all its partners. In addition, we have a contract with Private Industry Council through the WIA (Wisconsin Intensive Assistance) Program where we provide tutoring for youth through the age 27. Our agency has had ongoing involvement with the W2 programs and families as it has overlapped with the Child Welfare system in Milwaukee County. Fokus Family Services has formed a collaborative and cooperative partnership with several other agencies in Milwaukee. These agencies are Private Industry Council, First Offender Program, Wraparound, JTOP, AODA, JCAP, Safety Services, and Probation Services Network. Fokus Family Services is contracted to provide tutoring, mentoring, housing assistance, AODA, anger management, and social services to families and individuals. As a diversified agency, we provide a wide range of services including both traditional treatment services such as AODA Assessment, Group counseling, and In home therapy along with family support services such as Life Skills Training, Mentoring, Tutoring, Supported Work Environment and Job Coach Services to mention a few. Our agency is licensed as both as Out Patient Mental Health Clinic and a Certified Alcohol and Substance Abuse Clinic. We have staff that are qualified to work with clients in the AODA, Mental Health and Correctional systems. Many of our families have dual issues (Mental Health and AODA) and have been involved with the Judicial and court systems. We have developed relationships with judges and have contacts in the correctional facilities. Our over all Mission is to assist and support our clients in achieving and maintaining stable, healthy and productive lives. Our vision is that as we succeed in this goal, our families and children will thrive and become self-sufficient citizens of this community.

**AGENCY PROFILE:** The Guest House Counseling Clinic offers a holistic approach to substance abuse and mental health issues, addressing their impact on all areas of life through a comprehensive biopsychosocial assessment. We offer day treatment and outpatient services, as well as coordination of care, referrals to medical providers, and connection with community based recovery support groups.

Clients will be treated with dignity and respect, free from any verbal, physical, emotional or sexual abuse. Each person will be treated fairly regardless of race, national origin, sex, age, religion, disability, or sexual orientation. Clients are strongly encouraged to participate in the planning of their treatment and take an active role in their recovery.

The overall objective of the program is to achieve and maintain abstinence from all substances, stabilize mental health concerns, connect clients with community resources to help maintain those changes, and increase client's self-efficacy in order to enhance long-term treatment outcomes.

#### Summary of Services:

All intake appointments are schedule for 9:30am on Mondays. If you have further questions about scheduling an intake appointment, please call the Clinic Manager.

Day Treatment: 6 week program, Monday-Friday between the hours of 9am-5pm.  
 No evening day treatment groups are available.

Out Patient Treatment: Length of treatment depends on needs of the clients, Monday- Friday between the hours of 9am - 5 pm, with extended hours on Wednesday until 8pm.  
 Limited evening availability for out patient groups.

Please Note: The Guest House Counseling Clinic and the 7Cs Counseling Clinic are 2 separate agencies.

**AGENCY PROFILE:** Imani is a culturally based AODA program designed to address the sociocultural issues as well as the chemical dependency issues of African American men. Imani will utilize an Afro-Centric approach using a unique, creative, innovative and holistic approach, along with the 12 Steps, to address the special needs of African American men. This approach is spiritually based, provides habilitation in lieu of rehabilitation, and recognizes the difference between those behaviors/attitudes that are dysfunctional and those that are actually cultural. This Afro-Centric approach requires that African-American cultural characteristics be built into all aspects of treatment. The primary goal for each of our residents is total abstinence and an attitudinal change conducive to the development of a spiritually based lifestyle which insures a change of the entire being, i.e. physical, spiritual and mental. Goals also include developing anger management and life-skills, employment readiness, budgeting, etc.

**AGENCY PROFILE:** Maehnowesekiyah Wellness Center was established over 20 years ago by the Menominee Indian Tribe of Wisconsin to provide alcohol and drug treatment services primarily to the members of the Menominee Tribe and other Native American Tribes in WI. Maehnowesekiyah Wellness Center is multi-cultural in the services that it provides and no one regardless of race, religion, color or creed is denied services based on this. Treatment at Maehnowesekiyah is client oriented and culturally appropriate in offering teaching lodges, sweat lodges, drumming, smudging, 4 direction healing circles, and cultural sensitive spiritual journeys. A part of treatment here at Maehnowesekiyah utilizes the White Bison, Red Road to Wellbriety program along with other highly recognized Native American treatment approaches. For those families in conflict, Maehnowesekiyah offers both Domestic Violence victim counseling and batterers counseling and programs with the goals of reunifying and rebuilding the family.

Maehnowesekiyah Wellness Center affirms that all human beings experience an individualized treatment based on your own values, history, and spiritual ways. Each human being is given respect and we encourage everyone to share their values, beliefs, and strengths during the treatment process. At Maehnowesekiyah we know everyone has their story to tell and share, we incorporate a variety of treatment approaches to strengthen the spiritual, emotional, mental, and physical well being of each human being who comes through our doors for help. We believe the family unit is an important key to the wellness of each human being and strongly encourage family to participate in the healing and wellness process. Through treatment, individual counseling, the re-building of coping skills and establishing new social networks, every human being has the ability and opportunity to choose to become Directors of Their Own Healing.

Maehnowesekiyah Wellness Center business hours are from 8:00am to 5:00pm Monday through Fridays and from 9:00am to 1:00pm on Saturdays. There is a residential unit which operates 24 hours. Additionally, Maehnowesekiyah offers Outpatient services Monday through Thursday from 8:00am through 7:30pm, Fridays from 8:00am through 4:30pm and Saturdays from 9:00am through 1:00pm. **AGENCY PROFILE:** Morris Memorial is the oldest African American congregation in the city of Milwaukee. We have been serving the community for the past 65 years. We are a bible-based church firmly positioned on a foundation of prayer. Our existence is for the sake of the empowering individuals to strive for excellence in Christ through the Holy Spirit. We purpose to provide holistic ministry that affects the total person, mind, body, spirit and soul; transforming lives for our community and the world in which we live. We endeavor to demonstrate integrity, lift a standard of holiness and promote righteous living. In order to fulfill this vision, we are providing life skills, daily living skills, spirituality counseling, children's ministry, elder services, and various other community outreach projects. Our computer lab is equipped with programs to assist individuals and families in becoming proficient in both reading and everyday life skills.

Domestic Violence Victim Services: This service is designed to educate and assist a participant to overcome the affect of being victimized by violence. This service may be gender specific and may cover a broad scale of understanding emotions and violent behaviors. This service will not include efforts to engage the victim with the batterer.

Domestic Violence Batterer's Services: This is an educational service designed to support participants in seeking to end violent behaviors against their partners. The key is to have an alternative to the violence. These services will not include efforts to bring batterer with victim.

Spiritual Support: Family and Individual: This service will assist the participant in his or her recovery plan. It will consist of spirituality in recovery and spiritual growth and development. This will be done by one's faith or denomination. Our facilitator is an ordained licensed Church of God in Christ Minister, and has been working in the domestic violence field for 15 years and is a certified batterer treatment provider.

**AGENCY PROFILE:** Multicultural Community Services is a community based organization dedicated to providing services to Milwaukee families since 1972. Multicultural is a well-known agency with a strong reputation for superior service delivery. Our center is a modern, clean facility that is 100% handicap accessible designed for the comfort of those we serve. Services provided by Multicultural Community Services are: Job Training, Job Placement, Career Counseling, Employment Mediation, Computer Skills, GED/HSED, Basic Skills, Quality Child Care, After School Care, Special Needs Children, Family Counseling.

We offer a Customized Custodian Training Program as part of our Supported Work Environment / Job Training Service. This is a 6 week program designed to prepare students for employment in the custodian industry. The first weeks focus on education, and includes topics such as:

- \*Ground rules for professional custodians and success in employment
- \*Basic math skills assessment: working with ratios, measurements, fractions, decimals, and perimeters
- \*Safety & health procedures including: (MSDS) Material Safety Data Sheets, Green Solutions and OSHA Blood Borne Pathogen standards.

The remaining weeks immerse the student in training with hands-on experience using equipment necessary for employment in cleaning, and specialty divisions. Courses are presented on a visual learning premise in order to accommodate limited English proficiency and low literacy.

Students that complete the course would expect employment from the following: Hotels, office building, stores, manufacturing companies, or any service provider in floor care, carpet care, and custodial industry.

Students must be able to physically lift and carry a minimum of 50 pounds & pass pre-employment drug screening.

Anticipated hourly wages at placement are:  
 \$9.00 per hour (average) \$15.00 per hour (high) \$8.00 per hour (low)

**AGENCY PROFILE:** Funded in 1989, My Home Your Home (MHYM) is an innovative non-profit organization founded with the mission of providing a safe, secure, and supportive environment to at risk youth and young adults of Wisconsin. My Home, Your Home strives to ensure that our staff is as diverse as the population we serve. MHYM has a demonstrated leadership that emphasizes commitment, vision, and results-oriented leadership. Collectively, My Home,Your Home, Inc, has over 100 years of experience in identifying needs, developing a vision of service delivery to support local families and foster children, forming strategic community partnerships, evaluating service quality and compliance, and implementing innovative programming. MHYH strives to provide the best possible services to society's most vulnerable children so that they can strive for happiness, health, and productivity as adults. In response to community needs, MHYH has grown significantly over the past decade. Services offered: Treatment Foster Care, Wrap-Around Care, Lissy's Place, Amad's Place, Placement Stabilization Center, Daily Living Skills and Life Skills Training, House Management Services, Housing Assistance, Parent Assistance, AODA Family Counseling, AODA Individual Counseling. Each of our programs has given us a wealth of understanding regarding the community we serve, particularly their needs and the services and resources that meet those needs. Through the Wraparound care we have gained experience in working with juveniles who enter the program as an alternative to incarcerations. Care Coordinators are responsible for making daily to weekly contacts, depending on the needs of the juveniles on their case load, providing clients and their families with seamless services that aim to prevent further delinquencies and deter placements out of home. Since so many minority youth require intensive services, yet few minority agencies provide them, we were pleased to add this to our menu of programs and expand our continuum of care to best meet the needs of the children we serve. The Treatment Foster Care (TFC) Program has been a cornerstone of our program offerings. TFC began in response to our recognition of the need to find permanent placements for the most challenging population of foster children to place- teens living in residential treatment facilities. The teens in these facilities had little or no hope of returning to their biological families or being adopted and were resigned to living in these facilities until reaching the age of 18, whereupon, they would be discharged from the foster care system and left to fend for themselves. Lissy's Place, our Transitional Housing Program specializes in providing independent living services for young, single, homeless women aged 18 to 21. Some program participants have been in the juvenile justice system, giving us insight into the issues and concerns that can affect them. The goals of the program are to guide participants toward a safe, successful transition to self-sufficiency and assist them in obtaining permanent housing. These goals are achieved through stable housing, an interconnected web of independent living services, and intensive, supportive case management.

### AGENCY PROFILE: From Recovery to Deliverance Profile

If a person and/or family member as well as a co-dependant are suffering from addiction of a mood altering substance, this meeting is for them. When God takes your addiction away it does not come back. The motto for this support group is: "Religious folk go to God to keep from going to hell, while Spiritual folk go to God because they have already been through hell."

Deliverance can be defined as being brought out of, and we relate that to being brought out of an addiction to chemicals.

There are 3 phases of recovery that lead to deliverance:

Step 1: Physical - Surrender

Step 2: Mental - Hope, Faith & Trust

Step 3: Spiritual - Commitment

Recovery is learned through converting the 12-Steps principle to scripture with a thorough break down of its application. Reading material from the following 3 texts are copied weekly and presented to each individual on a weekly basis and the progression of each step is studied and discussed from a physical, mental and spiritual perspective. Individual assistance is provided to participants when necessary.

A lecture and teaching on each step is facilitated thoroughly to enhance learning from a motivational viewpoint surrounding the readings. Questions are answered related to addiction and a connection is made physically, mentally and spiritually with each step.

A different scripture and meditation from the "NIV RECOVERY DEVOTIONAL BIBLE" is applied as the steps and cycle is repeated.

**AGENCY PROFILE:** Our Daily Bread Community Outreach Center (ODBCOC) was founded in November 2004 and has been serving the inner city of Milwaukee County since 2006. We provide positive and supportive services to children and adults with the intent to enhance their quality of life.

As a faith-based organization, we will train, equip, and empower individuals to be productive citizens throughout Milwaukee. We, at ODBCOC are compassionate about individuals reaching their full potential. While involved in our program, we will guide, direct, and walk individuals through their recovery process and help those combat many social challenges such as: poverty, unemployment, and limited resources. It is our prayers that everybody accomplishes their goals and fulfills their dreams.

**AGENCY PROFILE:** Our Space was founded in 1988 by people living with a mental illness, their family members, members of the clergy and mental health professionals. Our Space was built on the belief that people who had been sidelined by their mental illness could get their lives back on track by joining an organization whose members (clients) had all "been there." It would be a place that helped people get back on their feet by giving them somewhere they could re-build the basic skills they needed in order to move forward. Every year the members of Our Space elect a Member Management Team. This is a group of eight people who work with the staff to develop the many programs that Our Space provides. The programs at Our Space are designed to help people improve their lives using the tools that have been proven to help them succeed. Our Space employs many of its members to do everything from working at the Blue Dove Gift Shop or the Price is Right Shoppe to assisting in peer mentoring, outreach and janitorial programs. Volunteers from the community form the Board of Directors, the Advisory Committee and assist in running daily programs. New members are encouraged to join one of the many daily programs that Our Space offers. Some of the most popular programs at Our Space include: the Wellness/Exercise Program, Computer Instruction classes, several different support groups and recreation activities such as pool, ping pong and community outings.

Over half of the people that come to Our Space have a "dual-diagnosis," meaning that in addition to their mental illness, they also have a dependency on drugs or alcohol. As a result, programs that address the specific needs of these individuals were created and are now being offered to individuals who have an alcohol or drug abuse problem, but may not have a mental illness. The Parenting Assistance Groups run for ten weeks and helps people improve their parenting skills. Each session focuses on a necessary tool for successful parenting and also includes a special focus on how alcohol or drug abuse can affect parenting. Group and individual instruction is available and the Parenting Coordinator will offer hands on parenting assistance. The Daily Living Skills Program meets in groups as well as on an individual basis and is a 6-week program that provides support and training for everyday practical and financial skills, such as nutrition, personal care, and money-budgeting skills.

People who attend these programs can become a member of Our Space, but are not required to do so. Our Space is located at 525 W. Lincoln Ave., Milwaukee, WI 53207 and our phone number is (41) 383-8921. Our Space is open from 9am until 4pm Monday through Friday with some nighttime and weekend activities.

**AGENCY PROFILE:** RN was founded in 2003, by Jim Valona, who believed in empowering the less endowed.

Since our inception we have grown from serving the few to now serving the many. In 2004, RN acknowledged the need for AODA services and opened a Day TX/OT PT substance abuse program. Starting out with a skeleton crew, RN now employs over ten professional individuals.

Recognizing the enormous burn out rate of well seasoned counselors, RN built its team with individuals who have the desire and empathy to serve but lacked the credentials. Now proudly all counseling staff at our agency has various credentialing from SAC-IT's to CSAC's. Vigorously empowering our clients through our mission statement, that – It is our belief that with proper motivation, determination, and a lot of hard work we can learn to alter the destructive patters we have developed in our lives. Providing an environment to establish a healthy and holistic relationship with someone unique, yourself!

At RECOVERY NETWORK; we implement AODA education through Motivational Interviewing and the six states of the Developmental Model of Recovery. We also engage our clients in the opportunity to challenge their criminal and addictive thinking through cognitive behavioral group therapy thus breaking the chains and habits and replacing them with ways to apply coping and refusal skills through rational thinking.

**AGENCY PROFILE:** Shorehaven Counseling Associates offers you all the counseling services needed to progress from Assessment through Long-Term Recovery for Substance Abuse, Mental Health, behavioral, and family problems. We use the latest research and methods recommended by the National Institute on Drug Abuse and the National Institute for Mental Health.

Start Your Recovery at Shorehaven, Complete Your Recovery at Shorehaven. At our attractive new Brown Deer facility, we offer a comprehensive assessment of your needs for AODA counseling, mental health counseling, medications, and family services. Then you receive counseling from among the best trained staffs in Milwaukee, counselors with thorough training in both AODA and mental health treatment.

PROGRAMS include Assessment & Evaluation, Medication Management, Day Treatment, Group Counseling, Family Counseling, and Individual Counseling. Group Counseling takes place twice per week, following you for 6-12 months to assist your recovery. Day Treatment is often the first stage of help, meeting 3-5 days per week for 3 hours each day – intense help when you need it most.

WE SERVE anyone who has a problem with alcohol or drugs, mental health problems, or any behavioral or emotional problems. Teens are usually seen individually and with family members. Adults may join our Day Treatment and Group programs, as well as family and individual counseling. Women receive gender-sensitive help. We do not discriminate, but accept all clients. We specialize in serving those who have co-occurring Substance Abuse and Mental Disorders.

- \* Assessment through Long-Term Recovery for Substance Abuse

**AGENCY PROFILE:** Social Rehabilitation & Residential Resources (SRRR) provides AODA Outpatient Counseling Services for men, women and Families with substance abuse issues. Services are provided in a culturally sensitive environment. Substance abuse services include: assessment and evaluation; AODA education; aftercare treatment; relapse prevention; and intensive outpatient treatment 1) individual, 2) group and 3) family therapy; Also 4) adolescent substance abuse treatment which includes addressing underage drinking problems. Our services adopt the 13 core values that's incorporated within the Single Coordinated Care Plan (SCCP) and revolved from the wraparound philosophy process. We have Spanish speaking Clinical Staff available, both male and female, and are also in the process of instituting a DD/TTY phone line. Bus routes 18, 53, and 87 stop directly in front of the building. Clinic hours are Monday-Friday 9am-5pm for adult programming and evening hours available for adolescent.

SRRR's Century House is a transitional residential treatment facility for adult males located in a rural area. The treatment facility services men recovering from chemical dependency and co-occurring disorders; based on the twelve step model. Residents, eighteen years and older receive treatment for their addiction in a structured, home-like setting. Goals are set up at the time of admission and each resident's progress is monitored as they are facilitated back into the community upon the completion of their 90 day stay. In special cases extensions may be granted.

2nd Century is a Men's transitional residential facility operated by Social Rehab & Residential Resources. Social Rehab is a private non-profit Behavioral Health agency providing Mental Health and AODA services to Milwaukee and Waukesha Counties since 1968.

2nd Century is a 90 day residential program offering clients a safe and supportive environment to begin their recovery from alcohol and drug addiction. 2nd Century also serves individuals with co-occurring issues. 2nd Century is staffed twenty four hours a day with professional and caring counselors. Group therapy is offered two times per day Monday thru Friday and once on Saturday. Clients meet with their individual counselor at least one hour per week.

Individual Recovery Plans are developed within four days of admission. Clients develop this plan with the help of their individual counselor. Progress is monitored closely to help individuals meet their recovery goals.

**AGENCY PROFILE:** Sojourner Family Peace Center - Beyond Abuse (BA) Program is a state certified batterer's intervention program. The program has been helping participants since 1981, to eliminate violence, abuse and controlling behavior in their intimate partner relationships. BA believes that abuse is destructive and a learned behavior that can be replaced with new, constructive, non-abusive behaviors. The program gives participants insight and tools for behavioral change, which can in turn strengthen families and relationships. Here at BA we believe given education, support, skill building, tools coupled with an investment of time people can change their abusive behavior. Treatment is provided through educational/support groups. Many of the group facilitator's are former victims or former batterer's themselves. They understand what it is like to struggle with domestic violence and abusive behavior. Many of the BA facilitator's have over 10 years of experience in providing batterer's intervention treatment. To enter the program an initial intake/assessment is required. Please call to schedule an intake appointment.

**AGENCY PROFILE:** Sojourner Truth House offers a variety of programs that target those affected by domestic violence. We provide a safe and secure emergency domestic violence shelter and a 24 Hour Domestic Violence Hotline. Our Transitions program moves women toward safe, independent housing apart from their abuser. Our Job Readiness Training program teaches women how to obtain and retain employment. Our children's program teaches school age children five critical domestic violence survival skills and enhances self assurance through an acadmenic enhancement program. We also staff a Domestic Abuse Victim Advocate program in the Domestic Violence unit of the Milwaukee County District Attorney's office. This program reassures and supports domestic violence victims, explains the system to them, advocates for them, and makes suitable and timely linkages to appropriate service providers. Our Batterers Anonymous-Beyond Abuse (BA) program focuses on abuser intervention and education. This program helps abusers eliminate violent and controlling behavior in their lives. Finally, our Community Education Program is a pro=active approach that reaches students, professionals, individuals, and members of the interfaith community, teaching them the detrimental effects of domestic violence and the resources that are available to address this problem.

**AGENCY PROFILE:** The Centro de la Comunidad Unida-United Community Center Human Services Department AODA Treatment Clinic (UCC) is dedicated to serving the Hispanic population of Milwaukee's near south side. The center's holistic approach utilizing strength based and values common in Latino families focusing on a treatment specific to the following core values. "Familisimo", "Respeto", and "Confianza". This philosophy of treatment is based on providing Culturally Competent services to the Hispanic population. Our program has a unique ability to offer trained and experienced Latino staff to provide bilingual and bi-cultural services to the Latinos with AODA and emotional issues. In understanding the diversity of Latino population or "sub cultural" and familial roots, UCC effectively acknowledges varying "Costumbres" of client's and their families. This is demonstrated in development and implementation of therapeutic groups such as "Cocinando con Novelas" and "Cuenta Cuentos".

All of the programming offered is designed to observe "respeto" the vast diversity of the Latino population that may include speaking different dialects, serving variety of foods and allowing for the practice of different "costumbres". Since the 1970's UCC has served the Latino population with an emphasis on serving Spanish-speaking Hispanics, both individuals and families with children.

**AGENCY PROFILE:** The Centro de la Comunidad Unida-United Community Center Human Services Department AODA Treatment Clinic (UCC) is dedicated to serving the Hispanic population of Milwaukee's near south side. The center's holistic approach, utilizing strength-based and values common in Latino families, focused on a treatment specific to the following core values: "Familisimo", "Respeto", and "Confianza". This philosophy of treatment is based on providing Culturally Competent services to the Hispanic population. Our program has a unique ability to offer trained and experienced Latino staff to provide bilingual and bi-cultural services to Latinos with AODA and emotional issues. In understanding the diversity of Latino population or "sub cultural" and familial roots, UCC effectively acknowledges varying "Costumbres" of clients and their families. This is demonstrated in development and implementation of therapeutic groups such as "Cocinando con Novelas" and "Cuenta Cuentos".

All of the programming offered is designed to observe "respeto" the vast diversity of the Latino population that may include speaking different dialects, serving variety of foods and allowing for the practice of different "costumbres". Since the 1970's UCC has served the Latino population with an emphasis on serving Spanish-speaking Hispanics, both individuals and families with children.

Treatment Philosophy: UCC believes that our clients have the power to educate themselves and can change their situations. We believe our clients can unify their spiritual, personal, and psychological needs, and integrate those needs while honoring their heritage and cultural traditions. We believe that they must take care of their bodies and souls. We believe that they can take care of others without forfeiting their own future and physical and emotional well-being. We believe that as an empowered person they deserve emotional health and happiness.

**AGENCY PROFILE:** White's AODA Day Treatment & Outpatient Services, Inc., is a community based Alcohol and Drug (AODA) Treatment facilities that provide a treatment program to promote abstinence from chemical dependence.

Our mission is to provide client and their families with a comprehensive program designed to promote abstinence from chemical dependence in a non-residential treatment setting, while becoming nurturing individuals and if parents, nurturing parents in a positive and caring environment.

The Day Treatment Services (DTS) involves primary treatment for alcohol and drug dependent individuals that consist of an intensive, daily structured program provided by an interdisciplinary clinical team. The two-stages of services may be concentrated in a six to twelve week period. The DTS provides a didactic sequence, daily group therapy, individual, couples, and family counseling, AA/NA/CA orientation, recreation/socialization, vocational counseling and psychiatric consultation.

The Outpatient Treatment Services (OTS) is designed to confront a more chronic degree of substance abuse and dependence than primary day treatment services. The Outpatient Treatment track is for clients who do not require inpatient treatment, but will benefit from a more structured regimen than is traditionally available in the outpatient area.

While involved in Outpatient and Day Treatment, each client will be staffed by the interdisciplinary clinical team.

Through counseling, the client begins to develop a Personal Sobriety Plan (Individual Treatment Plan) to follow in order to support a productive lifestyle and reintegrate back into the community. The client will be offered the opportunity to participate in outings such as the Bucks Games, Pabst Theater Shows, Swimming, Exercising, Bowling, Dining Out, etc. (This Provider Profile will be Revised if any changes are made.)

**AGENCY PROFILE:** Wisconsin Nazarene Compassionate Center, Inc. (WNCC) operates a transitional living facility for homeless drug and/or alcohol addicted adults called Project H.E.A.T.(Habitat, Employment to Achieve Transition). WNCC has operated Project Heat for over 12 years. We are centrally located at 2904 W. Wells Street, close to the #10, #27, & #30 bus lines. Project H.E.A.T. offers a structured recovery membership program that adheres to a "zero" tolerance policy which ensures that if an individual chooses to use drugs or alcohol, they will be immediately terminated. We have twelve double occupancy furnished apartments and six single occupancy apartments. Other services include a food pantry, laundry facilities, in-house recovery support meetings, men and women's support groups, four live-in recovery staff members, linens, and locked lobby, resource referrals and support. Members are expected to be employed, enrolled in school, or engaged in volunteer service. Individuals must also enter and complete outpatient treatment for their addiction. Our members are required to attend three community recovery meetings each week, and must obtain and have weekly contact with a sponsor. This program stresses accountability and responsibility. Placement at Project H.E.A.T. is through a one-hour interview process. During the interview, information is gathered regarding drug history, treatment, employment, legal, psychological, medical, family history, and education. Decisions regarding acceptance are made by the Program Director and staff, and prospective clients are notified within 24 hours. Project H.E.A.T. is a program for individuals looking for a safe, sober lifestyle. We accept adult men and women, individuals who are dual-diagnosed, and homeless addicts. Referrals can come from other social service agencies, detox units, hospitals, social workers, case managers, Probation/Parole, Correctional facilities, and self referrals. Prospective members must be medication compliant.

**AGENCY PROFILE:** Word of Hope is a faith-based community organization that was established by Paster CH McClelland in 1996. We provide a range of services in our Family Resource and Technology Center that are designed to encourage personal development and responsibility, and to help empower individuals and families to be productive and self-sufficient in their homes and in the community. Our programs include: 1. AODA Counseling-state certified counselors whose sole purpose is to assist individuals to live their lives free from alcohol and drug dependency. All counseling activities are conducted in accordance with HFS 75. 2. Employment Services-we assist individuals with development or improvement of their work readiness skills by providing vocational and educational training; job development, job placement, and job retention support services. 3. Health Care-licensed medical practitioners who screen for high blood pressure, diabetes, high cholesterol, glaucoma, and cancer; treatment referrals to medical providers are made when appropriate. We are partnered with the Medical College of Wisconsin. 4. Mentoring-group and one-to-one coaching to foster the development of positive attitudes and behaviors, improve or establish positive support networks within families and the community; and to learn to develop and utilize those life skills that will help build self-esteem and promote self-sufficiency. 5. Social Services-assessment and counseling to address the human service needs of individuals and families; the goal is to avoid crisis situations through intervention and education. 6. Ready4Work-provides re-entry support services to former inmates, ages 18 to 34, who have been released within past 90 days, or are currently in pre-release centers. Service plan includes intensive case management, educational and vocational training; job placement, retention support services, and ATODA counseling when appropriate.
