The Milwaukee County Medical Examiner's Office would like to officially invite you to the

20th Annual John R. Teggatz Forensic Science Seminar

This year's program promises to be interesting and informative. Our keynote speaker, Dr. Andrew Baker, will discuss the multi-fatality August 1, 2007, I-35W bridge collapse over the Mississippi River. Dr. Baker will also present multiple case studies in unusual child deaths. Additionally, Dr. Brian Peterson will talk about the lessons learned in the Laci Peterson homicide.
