Grand Opening Event Inspires Better Eating

Brooklyn's restaurant at 4610 W. Fond du Lac Ave. will host a grand opening ceremony **tomorrow, September 5 at 11:30 a.m.** The restaurant is an eat-in dining establishment designed to offer menu options and a meal setting that offers an alternative to fast food.

Ald. Willie Wade said, "We are happy Brooklyn's is settling in our district and giving the residents of this area more food choices. With recent debates over fast and fresh food choices in large cities, I'm proud to see our district step up and make positive change through business development like this."

Fruit Ranch, a past resident of the same building, is also looking to re-open in its old facility and will offer a variety of fruits, vegetables, specialty items and deli-style food choices. The two establishments bring variety to the dining options in the area and the press is invited to attend the opening event.

WHAT: Brooklyn's Restaurant Grand Opening Ceremony

WHEN: Friday, September 5, 2008, 11:30 a.m.
