WALKER PRESENTS GRANT FUNDING TO COUNTY ARTS GROUPS

MILWAUKEE – County Executive Scott Walker will recognize Milwaukee County cultural arts groups this afternoon at an event at the Marcus Center for the Performing Arts.

Walker will present approximately 35 groups with the annual Cultural, Artistic and Musical Programming Advisory Council (CAMPAC) grants. Milwaukee County has committed over \$288,000 to eligible cultural and performing arts groups. An additional \$22,500 was awarded to organizations whose missions are specifically targeted to underserved segments of the population through the Community Cultural Events program. \$2,500 is authorized for the 2008 Milwaukee High School Theatre Festival that is administered by the Peck School for the Arts Theatre Department at UW-Milwaukee.

Representatives from the CAMPAC groups will be on hand to demonstrate the rich diversity of programs funded through the CAMPAC council.
