WALKER STATEMENT ON PASSING OF FORMER GOVERNOR DREYFUS

MILWAUKEE – County Executive Scott Walker issued the following statement on the passing of former Governor Lee Sherman Dreyfus:

"What a loss for Wisconsin. Governor Dreyfus was a great, great man who could light up an entire arena with his personality. He was quick with a note of encouragement and was a mentor to many. He certainly knew the importance of the phrase 'tithing your time' as he gave so much back to his community, his state and his country. He will be sorely missed."

Walker first got to know Governor Dreyfus when he spoke at an event for the American Red Cross. Dreyfus' mother had volunteered for the Red Cross and Walker was working for the Red Cross at the time. Walker later connected with him on political and governmental issues.
