**WALKER TO KEYNOTE AMERICAN LEGION
ANNUAL TESTIMONIAL DINNER**

MILWAUKEE – County Executive Scott Walker will be the keynote speaker at the annual American Legion testimonial dinner on Saturday. Each year the event is held in the district of the current state legion commander and this year will honor Department Commander David A. Kurtz of the American Legion Alonzo Cudworth Post No. 23 in Whitefish Bay.

“It is admirable that our veterans continue to serve their country through the worthwhile efforts of the American Legion,” said Walker. “They play a leading role in supporting our active troops and assisting all veterans in getting the services they need.”

The American Legion is an organization comprised of veterans committed to serving veterans, their families and their communities. There are approximately 500 American Legion Posts located throughout the state, with a total membership of more than 73,000. The Posts are grouped by counties, the counties by 12 Districts, and the Districts under the Department (State). Each level includes committees devoted to Americanism, community service, youth activities, volunteerism, legislative and religious matters, and veterans’ rehabilitation. Members contribute to the community through blood donation programs, scholarships, involvement in local projects and emergency aid.
