## I. POLICY

It is the policy of Wraparound Milwaukee/FISS Services / REACH that individuals in need of Parent Assistance Services receive quality care provided by a trained/authorized Provider. **This service should be structured to meet identified needs/goals within 90 days.**

## II. PROCEDURE

### A. Definition.

A Parent Assistant is an individual whose role is to:

1. Assist client/parent/caregiver in acquiring parenting skills and/or organizing their household to be a clean and safe environment. The Parent Assistant teaches, models and monitors appropriate child rearing strategies and techniques, and models and teaches household management skills.
2. May provide information on child development, age appropriate behaviors and parental expectations, and childcare activities.
3. Assist the parent/caregiver with securing basic resources such as food, clothing, furniture, medicine, access to support groups, etc.
4. Provides training and assistance with routine household tasks and household management techniques related to the parent/caregiver/client acquiring the skills and competencies necessary to become self-sufficient.

### B. Requirements.

#### 1. Agency.

- a. The Agency must have submitted a 15-hour Parent Assistant Training Curriculum that was approved by the Provider Network.
- b. The training Manual that refers to the actual materials used in providing the 15 hours of training must be readily accessible at the Agency for auditor review.
- c. Applicants/Agencies must show evidence of training/certification/education specific to Parent Assistance in the application process.

#### 2. Provider.

- a. Individual Providers of this service must possess a High School Diploma or GED.
- b. **Prior to the provision of service**, a **Statewide Criminal Background Check** must be completed on all Parent Assistants (*see Attachment 1*). A copy of the Background Check must be kept in the employee's personnel file. The Agency will be held accountable for ALL requirements/processes referred to in the Background Check handout. A complete Background Check includes the following three components:
  - 1) A completed HFS-64 Background Information Disclosure form (BID form).
  - 2) A Department of Justice (DOJ) Criminal History Record Request.
  - 3) A Department of Health & Family Services (DHFS) letter regarding the status of a person's administrative finding or licensing restrictions.

In addition to meeting the requirement set forth in the Wisconsin Caregiver Law, the Background Check must ALSO meet the requirements set forth in the Milwaukee County Caregiver Resolution (*see Attachment 2*).

- c. A Parent Assistant must have a minimum of **15 hours of Agency training prior to service delivery**. For all new Parent Assistant Providers entering the Network, a copy of the WRAPAROUND MILWAUKEE VERIFICATION OF 15 HOUR TRAINING

REQUIREMENT CERTIFICATE (*see Attachment 3*) must accompany the “Provider ADD Sheet”, which authorizes them to provide services within the system. A copy must be kept in the Agency’s employee file.

- d. **For those Parent Assistants that will be transporting clients, a Department of Motor Vehicle Driving Abstract** must be completed **prior to the provision of services** (*see Attachment 4*). A copy of a valid Wisconsin Driver’s License and a copy of the Parent Assistant’s current automobile insurance must be kept in the employee’s personnel file (*see Provider Bulletin referenced below for exceptions*).

**3. Client File.**

- a. **Every Client** should have his/her own file (*see Provider Bulletin #1-09 for exceptions*). Files, including the Plan of Care (for Wraparound / REACH clients), must be maintained as outlined in the attached Provider Bulletin #1-09 (*see Attachment 5*).
- b. The Agency **must** receive a **PROVIDER REFERRAL FORM** (Wraparound Milwaukee / REACH and FISS Services each have their own) from the Care Coordinator/FISS Manager **prior to the provision of services**. The Referral Form must be filled out in its entirety. A copy or original must be kept in the client’s file.
- c. A **CONSENT FOR SERVICE** form must be completed on every client **prior to the provision of services**. The consent should **be dated and signed by the client (if over age 14) and must be signed by the legal guardian**. The Consent must specify the Agency providing the service, the service being provided and any other special requirements set forth by the Agency/client. All Consents authorize service for one year from the date of signing. As services should, on average, last 90 days or less, one signed Consent should be sufficient. In very rare occasions, if services go beyond the one-year (12 months) timeframe, another Consent must be signed. The Consent for Service must be kept in the client’s file.  
NOTE: The Agency is expected to create their own “Consent for Service” form. The Wraparound Milwaukee Quality Assurance Department is willing to review the Agency’s form for completeness.
- d. **If a client is going to be transported, a completed TRANSPORTATION CONSENT FORM (see Attachment 6) must be in the client’s file prior to the first transport. The Consent must be filled out in its entirety, including the signature/date of the parent/legal guardian. The client should also sign if over age 14, but if he/she does not, this would not preclude the service from being rendered.**

**4. Progress Report Log** (*see Attachment 7 and the attached Sample – two Log types are included: one for when the client is seen several times during the month and one for when a client might be seen only one time during the month*).

- a. Must be completed on every client every month for the duration of service.
- b. The Log **must** be completed in its **entirety**. There must be a Note entry for every time the client is seen face-to-face (or when attempted contact is made with the client). Documentation must be accurate and be reflective of the service, as described on the previous page.
- c. The Needs/Goals identified on the Progress Report Log should correlate with what is on the Wraparound Milwaukee / REACH Plan of Care/FISS Referral Form.
- d. The use of “white out” on the Progress Report Log is **NOT permissible**. Errors must be corrected using a straight line to strike out the error, with that error being dated and initialed (Example – ~~Contact~~ C.W. 11/16/04).
- e. The Log must be signed by the parent/legal guardian/caregiver, Parent Assistant and Wraparound Milwaukee / REACH Care Coordinator/FISS Manager. The Log must be signed by the parent/legal guardian/caregiver **before** it is sent to the Care Coordinator for Wraparound authorized services or before it is sent to the Wraparound Fiscal Department for FISS authorized services.

*Note: Pre-signing or altering the Logs in any way is considered fraudulent and may be*

*grounds for termination from the Provider Network and any future contractual/fee-for-service arrangements with Milwaukee County.*

- f. **For Wraparound only** - It is the responsibility of the Provider Agency to get the Log to the Care Coordinator in a timely manner – **within the first week of the month following the month of services.**  
**For FISS only** – It is the responsibility of the Provider Agency to get the Log to the designated Wraparound Fiscal Department staff in a timely manner – **within the first week of the month following the month of services.** FISS case closure can occur at any time throughout the month. Logs are to be faxed to the designated Wraparound Fiscal Department staff 1 to 3 business days following Provider’s final contact with the family.
- g. It is the responsibility of the Care Coordinator/FISS Manager to return the original/faxed Logs to the Provider Agency in a timely manner – **within 1-3 days after receiving the Log.**
- h. A copy of the Log must be retained by the Care Coordinator/FISS Manager after they sign off. **It is the responsibility of the Care Coordinator/FISS Manager to make a copy of the Log before they return it to the Provider.**  
**For FISS only** – The State Bureau of Milwaukee Child Welfare (BMCW) requires FISS Services to have all Logs in their files for audit purposes, as well as to have documentation available for Court, if a child needs to be detained, in order to prove services were offered and to verify the client’s level of cooperation.
- i. **For Wraparound Only** - If the Agency is faxing the Log to the Care Coordinator for the signature, then a copy of the returned signed faxed Log should be attached to the original Log. When auditors are reviewing Logs, they will be looking for all three signatures (Provider, Client or Care Coordinator).
- j. The **original** Log (and the attached copy with the Care Coordinator/FISS Manager signature on it, if applicable) must be filed in the client’s Agency file with the most recent month on top.

**5. Billing.**

- a. **Face-to-face** contact with the client **IS billable.** This includes Child & Family Team meetings, Plan of Care meetings and any other meeting in which the youth/family is being discussed and **is present.** The time spent at such meetings should be billed at the established hourly rate.
- b. Phone/written contact and “No Shows” must also be documented, but are **NOT billable.**
- c. Transportation time to and from the client contact is **NOT billable.**
- d. The Provider Agency must have the completed, signed Log in their possession before they bill for services.

**6. Miscellaneous.**

- a. It is expected that the Parent Assistant be invited to all Team/POC meetings and that he/she attend. If he/she is unable to attend, a verbal update of the status of service provision must be provided to the Care Coordinator/FISS Manager.

**Any/all of the above requirements may be audited by Wraparound Milwaukee/FISS, the State of Wisconsin, Milwaukee County and/or any program-affiliated auditing body.**

## Bar with Rehabilitation Offenses

Caregivers with convictions of serious crimes or a history of improper behavior are barred from working in facilities regulated by the Department, unless they are approved through the Rehabilitation Review process.

Only those crimes and offenses on the Offenses List [www.dhfs.wisconsin.gov/caregiver/statutesINDEX.htm](http://www.dhfs.wisconsin.gov/caregiver/statutesINDEX.htm) and comparable crimes and offenses from other states or other jurisdictions are bars to employment, regulatory approval, or non client residency. An employer may determine if any conviction not on the Offenses List is substantially related to the duties of the job, and may refuse to hire a candidate for that reason.

## Complete Background Check

A **complete caregiver background check** consists of the following documents:

1. A completed HFS-64 Background Information Disclosure (BID) form;
2. A response from the Department of Justice (DOJ) Wisconsin Criminal History Record Request, either
  - a “no record found” response **or**
  - a criminal record transcript; **and**
3. A letter from the Department of Health and Family Services (DHFS) that reports the status of a person’s administrative findings or licensing restrictions.

Other documentation must be obtained by the entity when information is required to complete the background check, such as military discharge papers, other state’s convictions, tribal court criminal records, arrest and conviction disposition information from county clerks of courts or tribal courts.

## Public Record Information

Caregiver background checks are public records and may be shared with the applicant, employee, or student. Entities must maintain the completed background check and provide it to DQA staff upon request. In cases where the background checks have been conducted within the previous four years, entities are **required** to share the background checks with other entities upon request.

This is an overview of the background check requirement of Wisconsin's Caregiver Program for entities regulated by the Division of Quality Assurance (DQA). For more detailed information, please see the Caregiver Program website at

or the "Contact Information" box on the back of this brochure.

## CAREGIVER BACKGROUND CHECKS

The Wisconsin Caregiver Program responds to the concern in Wisconsin and around the nation about the potential for physical, emotional, and financial abuse of vulnerable citizens by persons who have been convicted of serious crimes or have a history of improper behavior.

The Caregiver Law is intended to protect clients in health care settings from misconduct (abuse, neglect, or misappropriation of property) by requiring employers and licensing agencies to:

- Conduct caregiver background checks;
- Closely examine the results of the caregiver background checks for criminal convictions or for findings of misconduct by a governmental agency; and
- Make employment and licensing decisions based on the results of the background checks in accordance with the requirements and prohibitions in the law.

Therefore, the Caregiver Law requires two types of caregiver background checks:

- Those completed by entities on their employees and contractors, and
- Those completed by DQA on license holders and non client residents of DQA regulated entities.

## Employees as Caregivers

A caregiver is a person who meets all of the following:

- Is employed by or under contract with an entity;
- Has regular, direct contact with the entity's clients or the personal property of the clients;
- Is under the entity's control.

Entities must complete a caregiver background check for those employees who have regular, direct contact with clients. This includes employees who provide direct care and may include housekeeping, maintenance, dietary, and administrative staff, if those persons are under the entity's control and have regular, direct contact with clients served by the entity.

To complete caregiver background checks on employees and contractors, the entity must:

1. Require every prospective employee or contractor to complete an HRS-64 Background Information Disclosure (BID) form prior to working as a caregiver. A "clean" BID is one with no convictions of a crime that require a Rehabilitation Review or license limitations (no findings by a governmental agency of abuse, neglect, or misappropriation). Individuals with a "clean" BID may work up to 60 days while the employer completes the caregiver background check process. **Retain the completed HFS-64 BID form.**

Follow these special instructions for the following individuals or circumstances:

- **Minors.** Minors must complete a BID, but the entity is not required to submit a request to the Department of Justice when the BID is "clean."
  - **Students.** Students must complete a BID, but the entity is not required to submit a request to the Department of Justice for those with a clinical placement of less than 60 days when the BID is "clean."
  - **Military Service.** The entity must obtain a copy of the military discharge papers (DD214) from a caregiver who was discharged from the military.
  - **Out-of-State Residency.** The entity must make a good faith effort to obtain other states' conviction records for caregivers who resided in states other than Wisconsin during the three years preceding the date of the search.
2. Submit a **Wisconsin Criminal History Record Request** (DJ-LE-250 or 250A) to the Department of Justice (DOJ). Mail the (1) completed Record Request, (2) appropriate fee, and (3) a self-addressed and stamped return envelope to:

Crime Information Bureau  
ATTN: Record Check Unit  
P.O. Box 2688  
Madison, WI 53701-2688

Department of Justice (DOJ) account holders may request this information on the Criminal History Record Check website at:

<http://wi-recordcheck.org>

Entities may access a Wisconsin DOJ conviction report from records maintained by the Department of Health and Family Services. Entities may also access a letter from the Department stating whether the person has any governmental findings or license limitations.

Entities must obtain the final disposition of any offense whose disposition is incomplete or unclear. Entities must also contact the appropriate County Clerk of Court for a judgment of conviction and criminal complaint related to any crime that is disclosed on a BID form but which does not appear on the DOJ Criminal History Report.

## Caregiver Background Checks

Just as entities are required to conduct caregiver background checks on employees, the Division of Quality Assurance is required to conduct caregiver background checks on the following:

- Anyone who is the license holder/legal representative of an entity, whether or not they have regular, direct contact with clients;
- Anyone who is a board member or corporate officer who has regular, direct contact with clients served;
- Anyone 10 years of age and older who lives in a facility but is not a client (non client resident).

When contacted to do so by the Division of Quality Assurance, entities must:

1. Require each applicable person to complete an HFS-64 BID form and an HFS-69 Appendix form, and
2. Submit (1) the completed BID and Appendix forms; (2) military discharge papers, if needed, and (3) a \$7.50 processing fee for each person to

**RESOLUTION REQUIRING BACKGROUND CHECKS ON  
DEPARTMENT OF HEALTH AND HUMAN SERVICES  
CONTRACT AGENCY EMPLOYEES PROVIDING  
DIRECT CARE AND SERVICES TO CHILDREN AND YOUTH**

---

Provisions of the Resolution requiring criminal background checks for current or prospective employees of DHS contract agencies and agencies/organizations with which the DHS has reimbursable agreements providing direct care and services to Milwaukee County children and youth were initially passed by the County Board in September, 1999.

In May, 2000, the County Board adopted a modification of the resolution that separates individuals who have committed crimes under the Uniform Controlled Substances Act under Chapter 961 Wisconsin Statutes from the felony crimes referenced in the original Resolution and those referenced under Chapter 948 of the Statutes.

The Resolution shall apply only to those employees who provide direct care and services to Milwaukee County children and youth in the ordinary course of their employment, and is not intended to apply to other agency employees such as clerical, maintenance or custodial staff whose duties do not include direct care and services to children and youth.

1. DHS contract agencies and agencies/organizations with which the DHS has reimbursable agreements are required to certify, by written statement to the DHS, that they have a written screening process in place to ensure background checks, extending at least three (3) years back, for criminal and gang activity, for current and prospective employees providing direct care and services to children and youth. The background checks are to be made prior to hiring a prospective employee on all candidates for employment regardless of the person's place of residence.
2. DHS contract agencies and agencies/organizations with which the DHS has reimbursable agreements re required to certify, by written statement to the DHS, that they are in compliance with the provisions of the Resolution; that the statement shall be subject to random verification by the DHS or its designee; and, that the DHS or its designee shall be provided, on request, at all reasonable times, copies of any or all background checks performed on its employees pursuant to this Resolution.
3. DHS contract agencies and agencies/organizations with which the DHS has reimbursable agreements which do not provide to the DHS or its designee, copies of any or all background checks, on request, at all reasonable times, pursuant to this Resolution, shall be issued a letter of intent within 10 working days by the DHS or its designee to file an official 30-day notice of termination of the contract, if appropriate action is not taken by the contract agency towards the production of said documents
4. DHS contract agencies and agencies/organizations with which the DHS has reimbursable agreements shall perform criminal background checks on current employees who provide direct care and services to children and youth by January 31, 2001; and, after 48 months of employment have elapsed, criminal background checks shall be performed every four (4) years within the year thereafter.
5. DHS contract agencies and agencies/organizations with which the DHS has reimbursable agreements shall hire prospective employees after January 31, 2001 conditioned on the provisions stated above for criminal background checks and, after four (4) years within the year thereafter, and for new employees hired after January 31, 2001.

6. DHS contract agencies and agencies/organizations with which the DHS has reimbursable agreements which determine that a current or prospective employee was convicted of one or more of the following offenses shall notify the DHS or its designee immediately. Offenses include: homicide (all degrees); felony murder; mayhem; aggravated and substantial battery; 1<sup>st</sup> and 2<sup>nd</sup> degree sexual assault; armed robbery; administering dangerous or stupefying drugs; and, all crimes against children as identified in Chapter 948 of Wisconsin Statutes.
7. DHS contract agencies and agencies/organizations with which the DHS has reimbursable agreements which determine that a current or prospective employee was convicted of any other offense not listed in Number 6 shall notify the DHS or its designee immediately. Offenses include but are not limited to: criminal gang member solicitations; simple possession; endangering public safety; robbery; theft; or, two (2) or more misdemeanors involving separate incidences within the last three (3) years.
8. DHS contract agency employees and employees of agencies/organizations with which the DHS has reimbursable agreements who provide direct care and services to children and youth, charged with any of the offenses referenced in Number 6 and Number 7, shall notify the DHS or its designee within two (2) business days of the actual arrest.
9. Upon notification from a contract agency or from agencies with other reimbursable agreements that their screening process has identified a current or prospective employee with a conviction as stated in Number 6, or a conviction that occurred less than three (3) years from the date of employment as stated in Number 7, the DHS or its designee shall issue a letter of intent within 10 working days to file an official 30-day notice of termination of the contract if appropriate action is not taken towards the exclusion of said individual from having any contact with children or youth in the direct provision of care and services to children and youth.
10. The DHS or its designee, upon receipt of notification of potentially disqualifying past criminal misconduct or pending criminal charges as stated in Number 6 and Number 7 of this Resolution, shall terminate the contract or other agreement if, after 10 days' notice to the contract agency, the DHS or its designee has not received written assurance from the agency that the agency has taken appropriate action towards the convicted current or prospective employee consistent with the policy expressed in this Resolution.
11. DHS contract agencies and agencies/organizations with which the DHS has reimbursable agreements which determine that a current or prospective employee was convicted of any crime under the Uniform Controlled Substances Act under Chapter 961 of Wisconsin Statutes, excluding simple possession, and the conviction occurred within the last five (5) years from the date of employment or time of application, shall notify the DHS or its designee immediately.
12. Upon notification from a contract agency or from agencies with other reimbursable agreements that their screening process has identified a current or prospective employee with a conviction under the Uniform Controlled Substances Act under Chapter 961 of Wisconsin Statutes, excluding simple possession, the DHS or its designee shall issue a letter of intent, within 10 working days, to file an official 30-day notice of termination of the contract if appropriate action is not taken towards the exclusion of said individual from having any contact with children or youth in the direct provision of care and services to children and youth. **Current or prospective employees of DHS contract agencies or other reimbursable agreements who have not had a conviction within the last five (5) years under the Uniform Controlled Substances Act under Chapter 961 of Wisconsin Statutes, excluding simple possession, shall not be subject to the provisions of this Resolution.**

**SUBJECT: REVISED CRIMES TABLE**

---

**CROSS REFERENCE:** Wisconsin Administrative Rule HFS 12.

**EFFECTIVE DATE:** Immediately

**PURPOSE**

This memo provides a revised Crimes Table.

**BACKGROUND**

The Crimes Table that is a part of the Caregiver Background Check (HFS 12) has been revised. The Crimes List is now called the Offenses Affecting Caregiver Eligibility or the Offenses List. The Offenses List now lists other offenses that are not only crimes with a Wisconsin statute number; the Offenses list now includes these offenses:

1. Finding of neglect or abuse of a client, or of misappropriation of a client's property
2. Find o child abuse or neglect

There are no longer any crimes that result in a permanent bar. The Offenses List now indicates crimes and offenses that lead to a bar with rehabilitation. Many of the crimes that were listed on the previous Crimes List are no longer on the Offenses List. It now has become more important that convictions to crimes be evaluated to see if they substantially relate to the job of caring for children. Counties and Tribes must continue to complete thorough Rehabilitation Reviews, as the crimes may have become more serious.

The entire Offenses List has been attached, however only section II pertains to day care certification.

The Offenses List, as well as other Caregiver Background Check information, can be found at the Caregiver Background Check website [www.dhfs.state.wi.us/caregiver/index.htm](http://www.dhfs.state.wi.us/caregiver/index.htm).

## OFFENSES AFFECTING CAREGIVER ELIGIBILITY

NOVEMBER 1999

### INTRODUCTION

This document lists Wisconsin crimes and other offenses that the Wisconsin State Legislature, under the caregiver law, ss. 48.685 and 50.065, Wis. Stats., has determined either require rehabilitation review approval before a person may receive regulatory approval or may work as a caregiver, or act to permanently bar a person from receiving regulatory approval to be a foster parent.

**NOTE: This table reflects changes in the caregiver law made by 1999 Wisconsin Act 9, the biennial budget, but the table is not yet part of Chapter HFS 12 of the Wisconsin Administrative Code.**

If a person has been convicted of a crime in another state or jurisdiction, the entity or regulatory agency must locate on the table below the Wisconsin crime which is identical or most similar to the crime for which the person was convicted and apply the consequence identified. This instruction also applies if the person was convicted in Wisconsin, but the statute number or crime title has been changed or amended. For example, convictions under Chapter 961, the Uniform Controlled Substances Act, were previously convictions under Chapter 161.

Notwithstanding s. 111.335, Wis. Stats., ss. 48.685(5m) and 50.065(5m), Wis. Stats., permit a regulatory agency to deny regulatory approval or an entity to refuse to employ, contract with or permit to reside at the entity a person whom the regulatory agency or entity determines has been convicted of a crime that is "substantially related" to the care of a client. The agency or entity may review a conviction to make that determination when: (a) The person has been convicted in Wisconsin or another state or jurisdiction of any crime that is not listed in this appendix; or (b) The person has been convicted of a crime that is listed in part III. of this appendix for foster care purposes only.

Under the Caregiver Law, current limitations on a person's professional credentials may limit the person's eligibility for employment or licensure in a position for which the person must be credentialed by the department of regulation and licensing.

## Driver record abstracts

Driver record abstracts are computer-generated copies of the Division of Motor Vehicles (DMV's) driver records. Most driver record entries are retained for five years; however, certain convictions can result in a driver record being retained indefinitely.

Driver abstracts contain the following standard information:

- name and address
- driver license or identification card number
- sex and date of birth
- former names
- dates and types of traffic convictions, accidents, restrictions, and withdrawals

### Who requests driver record abstracts

Abstracts are provided at no cost to federal and state government agencies, county courts and enforcement agencies. A [fee per record](#) is assessed for abstracts provided to insurance companies, employers, school bus contractors, businesses and the general public.

More information on:

- [Requesting a copy of your own driving record](#)
- [Requesting a copy of someone else's driving record](#)

Some large volume requesters maintain accounts for immediate response by the [Public Abstract Request System \(PARS\)](#). PARS is a secure Web-based system that allows participating accountholders to have instant access to driver record abstracts via Portable Document Format (PDF) images.

Commercial driver employers are eligible to enroll in the [Employer Notification program](#). This program is available to PARS participants and identifies any enrolled commercial driver with recent activity on their driving record.

Other volume users provide computer tapes of requests for next-day return of abstract information. Brokers are authorized recipients of the DMV records who resell or re-disclose the record information to other private entities.

### Why WisDOT provides this information

Wisconsin's Motor Vehicle and Open Records Laws provide that anyone who requests a driver abstract, pays the appropriate fee and provides a completed Vehicle/Driver Record Information Request form [MV2896](#)  can request any person's driver record information.

Identification (ID) card information is also confidential and can only be released to the courts, district attorneys, county corporation counsels, city, village or town attorneys, law enforcement agencies, the ID card holder, or to the parent/legal guardian of an ID card holder who is under 18 years of age.

# WRAPAROUND PROVIDER NETWORK

# PROVIDER BULLETIN

**NUMBER:** 1-09

**TITLE:** Maintenance of Client  
Charts for Providers/  
Agencies Servicing Clients  
through the Wraparound  
Provider Network

**REVISION DATE:** August 11, 2008

**EFFECTIVE DATE:** January 1, 2009

This Provider Bulletin Supersedes and  
Rescinds Provider Bulletins #1-04,  
dated June 21, 2004, #1-05 dated 11/5/2004  
& #3-05 dated 4/27/05, #1-07 dated 1/1/07

---

The following **mandatory** guidelines must be followed with regard to the maintenance of Wraparound Provider Network (WPN) client files.

1. Every Wraparound/REACH affiliated client must have his/her own file, unless the agency is providing one or more other services to one or more family members of the Wraparound/REACH client in which having a family file would then be permissible. In addition, if the Wraparound/REACH client alone is receiving more than one service from an agency, only one file needs to be maintained on that client. Every FISS family must have their own file.
2. Each file must clearly indicate the client/family name. If the client is a sibling/caregiver of a Wraparound/REACH enrollee and the only person receiving services from that agency, then the identified **enrollee's** name must also be clearly visible on the file.
3. The file must be maintained in an orderly and neat fashion, i.e. – separate file into sections such as, Provider Referral Form/Intake information, Consents, Assessments, Plans of Care/Crisis Plan (not be applicable for FISS), Progress Notes/ Service Documentation, Coordinated Service Team (CST) information (FISS only), Other Correspondence, Discharge /Closing Summaries, etc. If serving more than one family member, similar documents for each individual may be maintained together in the applicable section. For example, if providing tutoring for John Smith, enrollee, and AODA counseling for the sibling, James Johnson, the provider referral forms received for each individual can both be filed under the Provide Referral Form/Intake Section.  
(If agencies already have an established, organized chart format referencing similar chart sections, then they may continue to keep their files in that manner.)
4. The Progress Note/Service Documentation section should contain “subsections” if providing more than one service to a client and/or if providing more than one service to a family. Subsection tabs would reference the different services and corresponding notes

provided to the individual and/or family. For example, one subsection tab would reference the area where tutoring logs would be kept for John Smith, enrollee, and another subsection tab may indicate AODA Counseling notes kept for James Johnson, sibling.

5. Plans of Care (POC): **(WRAPAROUND/REACH ONLY)**

- The agency must have time-applicable POC(s) in the file relevant to the whole time the client was serviced. The only exception to this requirement would be if the client/family did not consent to share the POC with the Provider. If this is the case, the Provider should place a note in the POC section of the file indicating such.
  - As the POC's are done on-line, the Care Coordinators have the option to print out what is called an "Open Needs" POC or send an e-mail transmittable version. The agency may keep an "Open Needs" or an e-mail transmittable version of the POC in the file. The "open needs" POC contains all the basic demographic info., the strengths list, the family narrative and the reactive crisis plan but it only contains the Needs/Domains that are **currently active.** The e-mail transmittable version contains all the same information, but contains both active needs and attained needs.
  - **Upon client discharge,** the following "thinning" of the **POC section** is permissible: An agency may discard/shred any "Needs/Domain" Sheets that **are not** relevant to the service they provided.
6. Most recent correspondence/documentation must be on the top in each applicable section.
  7. Charts must be easily accessible.
  8. It is preferable that charts be maintained in alphabetical order by client name. If this is not feasible for some specific reason, at minimum charts must be made available in alphabetical order when the agency is being audited.
  9. Current/active files must be separated from disenrolled client files.
  10. Files must be maintained in a secure, fireproof cabinet or room.

**The above expectations are applicable to all services within the Wraparound Provider Network unless otherwise stated in a "service specific" policy and procedure.**

**IMPORTANT**

As your client files contain mental health information, the guidelines for the storage of the file upon the client's discharge from services at your agency is governed by administrative code HFS 92.12. This code states, "In the case of a minor, records shall be retained until the person becomes 19 years of age or until 7 years after treatment has been complete, whichever is longer."
