CHAIRMAN HOLLOWAY STATEMENT ON MILLER-COORS

Decision to brew additional products in Milwaukee could lead to more jobs

Milwaukee, WI – Milwaukee County Board Chairman Lee Holloway released the following statement regarding federal antitrust approval of the joint venture between Miller Brewing Co. and Coors Brewing Co.:

“MillerCoors pending decision to brew additional products, including Coors Light, in Milwaukee proves that Milwaukee County is a good place to do business. MillerCoors executives know it’s easy to find skilled workers here, and their efforts to do so are appreciated. In addition to considering Milwaukee County for its new headquarters, I encourage the merged company to consider further enhancements to the Milwaukee operations. I look forward to the brewing of both Miller and Coors products in Milwaukee well into the future.”
