Milwaukee County Treasurer

Accessing a GIS Map via the Property Tax Portal

A) Use this link to take you to the [Milwaukee County Land Records Web Portal](#). Next, choose the link located in the center of the page titled To Access Property Tax Information.

B) Displayed will be a search box, which can be used to access the reports for the selected parcel. If you know the parcel number (or alternate #), enter this into area A. If you know the owner name, enter that into area B. Area C can be used to search via property address. Finally, if you have the parcel's public land survey information, that can be used in area D. Only fill out one area per search, and then select Search For Parcels.

Search For Parcels

C) If the search is successful, a result or list of results will be returned. Choose the correct result or modify your search as necessary.

D) Notice the 'Taxes' report is displayed each time a parcel is found. This report includes information regarding annual tax records for the selected property. The 'Taxes' report is highlighted on the menu on the left. To navigate to the GIS map link, choose the 'Parcel' report located at the top of the menu. Choose the View GIS Map link located at the bottom right to launch the web map.

View GIS Map

- E) The MCAMLIS Automated Mapping & Land Information Website will launch in a new window, and centers the display over the parcel of interest. Repeat steps B—D for any additional parcels.

Accessing Tax Information via the Milwaukee County Automated Mapping & Land Information Website

- A) Open an internet browser and navigate to the Milwaukee County Land Information Office website: <http://maps.milwaukeecounty.org>.
- B) Launch the Interactive Mapping Website by choosing the either the SECURE or PUBLIC button.
- C) Select one of more parcels of interest. This can be achieved in a number of ways:

Identify Tool

Zoom/navigate to the parcel of interest; use the Identify tool to select a parcel.

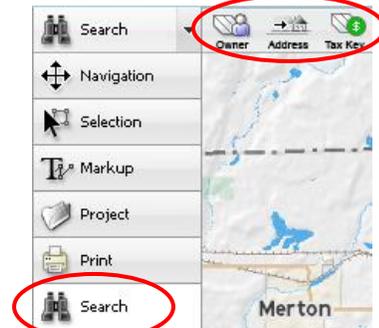

Selection Tools

Zoom/navigate to the parcel(s) if interest; use the Select Tools from the Selection menu to select one or more parcels.

Search Tools

Select the Search Toolbar and use one of the search options, i.e. Address, etc.

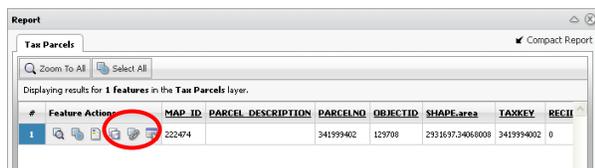

- D) The results of selection may be displayed a number of different ways, depending on the method used to search or identify the parcel. If a report window is visible, skip to step E. If a report window did not appear, the results should be in the “Compact Report”, displayed below the Legend/Table of Contents. Click the Overview Report button  to launch the Overview Report.

- E) Tax information can be launched from the Overview or Detail Report:

Launching from the Overview Report

Click on the Feature Hyperlinks button and choose “TAX INFO.” This will launch the tax information in a new window.

Launching from the Detail Report

Click on the Feature Hyperlinks button and choose “TAX INFO.” This will launch the tax information in a new window.
