Public Meetings with the Milwaukee County State Legislative Delegation**

As Chairman of the Board and the County Board Intergovernmental Relations Committee, I have invited the members of the Milwaukee County State Delegation to the Milwaukee County Courthouse on January 26, and January 29, 2007, for two public meetings. At these meetings, Supervisors will have an opportunity to communicate Milwaukee County's top fiscal and legislative priorities for the 2005-07 state budget to their State Representatives and State Senators prior to the introduction of Governor Jim Doyle's 2007-09 State Budget (anticipated on February 13, 2007).

I urge you to attend both of these valuable meetings.
